Lean more about the benefits

Drive compliant purchasing

This single-supplier contract was competitively awarded to Amazon Business and meets requirements for best value procurement for organizations that have passed a "best value resolution."

Bulk-buying and business-only pricing

Stretch your budget further with business-only deals, quantity discounts starting at 2 units on eligible products, negotiable pricing on high-volume purchases with Request for Quote, and free shipping on eligible products.

Millions of must-have items

Choose products from hundreds of thousands of sellers across key categories like IT, office, janitorial and sanitation, and much more.

To participate, contact rockland-govmvmt-contract@amazon.com and request to activate the **RCO-RC-EPC-2025-007** contract for your organization's purchases.
