Notice Type: RFP - REQUEST FOR PROPOSALS

Ad Description:

City of Houston TX Waste and Recycling Cart RFP Advertisement
Final

I am a citizen of the United States and a resident of the State of California; I am over the age of eighteen years, and not a party to or interested in the above entitled matter. I am the principal clerk of the printer and publisher of the SAN BERNARDINO COUNTY SUN, a newspaper published in the English language in the city of SAN BERNARDINO, county of SAN BERNARDINO, and adjudged a newspaper of general circulation as defined by the laws of the State of California by the Superior Court of the County of SAN BERNARDINO, State of California, under date 06/27/1952, Case No. 73081. That the notice, of which the annexed is a printed copy, has been published in each regular and entire issue of said newspaper and not in any supplement thereof on the following dates, to-wit:

The City of Houston, Texas (herein "Lead Public Agency") on behalf of itself and the GOVMVMT Government Purchasing Cooperative, the members of the Advisory Council and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and nonprofit organizations (herein "Participating Public Agencies") is soliciting proposals from qualified Suppliers (or "Manufacturer(s)") to enter into a Master Agreement for a complete offering of waste carts, recycling carts, cart parts, and related products and services. Interested vendors (also herein referred to as "Contractors" or "Suppliers") will execute and submit all information in accordance with the RFP's General Conditions and Instructions. The resulting contract may be awarded to multiple suppliers. Proposals are due no later than December 12, 2024 at 4:00pm CST.

Pre-Proposal Meeting: Scheduled for November 7, 2024 at 9:00am CST. See Solicitation for details.

74-0044 intends to file an Air Emission License application with the Maine Department of Environmental Protection (DEP) pursuant to the provisions of 38 M.R.S., Section 590 on or around November 1, 2024. The application is for the renewal of NEC's current Part 70 License at 18 Merrill Road. According to Department regulations, interested parties must be publicly notified, written comments invited, and if justified, an opportunity for public hearing given. A request for a public hearing must be received by the Department, in writing, no later than 20 days after the application is accepted by the Department as complete for processing. The application and supporting documentation will be made available for review by contacting the DEP Bureau of Air Quality offices in Augusta, (207) 287-7688, during normal working hours. A copy of the application and supporting documentation may also be available at the municipal office in Rockland, Maine. Written public comments may be sent to Jane Gilbert at the Bureau of Air Quality, State House Station #17, Augusta, Maine 04333.

DEPARTMENT OF AGRICULTURE

Rural Development

Maine Plywood USA, LLC: Notice of Availability of an Environmental Assessment

AGENCY: Rural Business-Cooperative Service (RBS), USDA

ACTION: Notice of Availability of an Environmental Assessment

SUMMARY: Notice is hereby given that the RBS, as required by the National Environmental Policy Act, is issuing an environmental assessment (EA) in connection with possible impacts related to a project proposed by Maine Plywood USA, LLC (Maine Plywood), of Bingham, Maine. The proposal is for the redevelopment of the former Quimby Mill for use as a plywood manufacturing facility at 17 Lander Avenue in Bingham, Maine. The plywood manufacturing facility will be located on an approximate 8.38-acre parcel of land that is identified as Lot 12-2 on the Town of Bingham Property Tax Map U-006. Maine Plywood is submitting an application to RBS for funding of the proposal.

FOR FURTHER INFORMATION CONTACT: Brian Wilson, PE., Business & Cooperative Programs Director, USDA Rural Development, 967 Illinois Avenue, Suite 4, Bangor, Maine 04401-2767, 207-990-9125, brian.wilson@usda.gov.

SUPPLEMENTARY INFORMATION: Maine Plywood proposes to complete a number of upgrades to the former Quimby Mill, in Bingham, Maine to accommodate Maine Plywood's future operational needs. The long-term goal of Maine Plywood is to develop a Biomass Waste system that will convert waste products from the plywood manufacturing process to a fuel source used to operate Biomass Steam Boilers for factory operations. Maine Plywood also plans to use an independent electrical generator to allow the facility to be self-sufficient. To accommodate the planned facility operations, several existing on-site buildings will need to be renovated or demolished. Maine Plywood has performed evaluations for materials that may exist on-site that will require specific remediation prior to demolition or conversions of the buildings.

Construction of several new buildings and associated infrastructure on Maine Plywood's property is required to support the successful development of the Proposed Action. The following is a list of proposed new buildings or infrastructure:

- Boiler & Power Machinery Building – Building is expected to house two package boilers and support equipment, and a third boiler unit that will be used for the Press and Combustion Turbine Generator and ancillary equipment.
- Package Boiler – Includes installation of exhaust Stacks and Foundations within the currently developed Boiler Room building.
- Biomass Boiler Stacks & Foundations installed within the footprint of the currently developed building.

Proposals Due: December 12, 2024 at 4:00pm CST

RFP # Doc1326388520

The City of Houston, Texas (herein "Lead Public Agency") on behalf of itself and the GOVMVMT Government Purchasing Cooperative, the members of the Advisory Council and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and nonprofit organizations (herein "Participating Public Agencies") is soliciting proposals from qualified Suppliers (or "Manufacturer(s)") to enter into a Master Agreement for a complete offering of waste carts, recycling carts, cart parts, and related products and services. Interested vendors (also herein referred to as "Contractors" or "Suppliers") will execute and submit all information in accordance with the RFP's General Conditions and Instructions. The resulting contract may be awarded to multiple suppliers. Proposals are due no later than December 12, 2024 at 4:00pm CST.

Pre-Proposal Meeting: Scheduled for November 7, 2024 at 9:00am CST. See Solicitation for details.
