Why Iron Bow?

Competitively Selected | Chosen to provide IT solutions through GovMVMT's cooperative contract vehicle, ensuring access to trusted, compliant technologies.

Public Sector Expertise | Decades of experience supporting state and local government IT modernization initiatives.

Flexible Support | Our U.S. based Client Service Center (CSC), provides a variety of solutions including as-a-service, cloud, hosted or managed services offerings.

Secure & Cost Effective | Focused on delivering cost-effective, secure technologies that meet today's agency needs.

Why GovMVMT?

GovMVMT was founded around one basic principle: putting public agencies first.

Trust | Our contracts are competitively solicited, evaluated, and awarded by a lead public agency, which means a commitment to compliance and low risk.

Value | Industry-low administrative fees, which means more savings for public agencies.

Oversight | GovMVMT's Advisory Council oversees and guides our procurement program. Lead public agency: Fairfax County, VA

Not-For-Profit | GovMVMT is a program of Innovative Government Services Association

Registering with GovMVMT gives your agency immediate access to competitively awarded contracts - no fees, no minimum spend. Start purchasing the right tech for your missions today!
