EXHIBIT B RESPONDENT RESPONSE

Respondent must provide the following information in order for the Lead Public Agency to determine Respondent's qualifications to extend the resulting Contract to Participating Public Agencies thru GovMVMt.

A. National Commitments

1. Please provide a written narrative of your understanding and acceptance of the Respondent Representations and Covenants in Section 1 of this Attachment.

Response: Victory Supply understands and will comply with the Representations and Covenants listed in Section 1. Victory Supply understands that a successful partnership requires executive commitment, value commitment, differentiator commitment, and sales and marketing commitment. We pledge to make these commitments if chosen for award on this opportunity.

B. Company

1. Provide a brief history and description of Respondent, including Respondent's experience in providing similar products and services.

Response: Victory Supply has the expertise and proven success to deliver the products and services sought under this RFP. As a nationwide supplier to corrections and detention customers for more than thirty (30) years, the executive management, as well as many of the staff members of Victory Supply, has overseen and participated firsthand in the fulfillment of multi-million-dollar contracts, emergency management requirements, short notice facility start-up demands as well as non-contract short-term supply orders. As demonstrated by our 30%+growth over the last three years, Victory Supply is constantly growing existing accounts and bringing on new accounts. We have serviced all 50 states, Puerto Rico and Canada.

Victory Supply was founded in 2012 to provide correctional apparel and supplies. Marigny Investments and Greyrock Capital Group acquired a majority stake in Victory Supply in May 2022. Marigny and Greyrock have been investing in companies for over 20 years and have raised over \$1 billion of capital. The investment thesis for Victory Supply was to continue to grow a national, correctional distributor by investing in additional people, systems and inventory to scale and better service its customers. In addition to adding to headcount and inventory, Victory Supply was upgraded to NetSuite for its ERP system and ecommerce site in early 2023. Marigny and Greyrock have partnered with Victory's founders, Kathy and Evan Trommer, who have served the correctional space for over 30 years. The Trommers continue to be owners and board members of the company and are helping drive the strategic growth of the company. Prior to founding Victory Supply, The Trommers had founded, owned, and operated Leslee Scott Inc., which grew to approximately \$30mm of revenue before selling the company to Bob Barker Company in 2007, which then became its Utah distribution facility. After working with Bob Barker, they started up Victory Supply to better service legacy customers back in 2012.

In addition to its sales reps, the company has a dedicated customer service team to better provide quick responses for its customers. The company has serviced all 50 states, Puerto Rico and Canada. Response: Within 90 days of the award, the management team of Victory Supply and sales team will hold a training session with its GovMVMT contact in order to best utilize the Agreement. Going forward we plan to leverage our joint list of current and potential customers to push the contract benefits. GovMVMT can utilize Victory Supply's existing national distribution network to better expand sales. We also believe that having the two largest suppliers in the correctional space promoting the contract will likely lead to additional sales. We sometimes hear of concerns of having a sole-source provider from our customers. We believe with Victory Supply taking the lead and the support of GovMVMT that we can greatly grow the contract distribution well over the current \$100million threshold.

10. Explain how your company will manage the overall national program throughout the term of the Contract, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Response: Victory Supply differentiates itself on its customer service. The company believes it is one of a few distributors in the correctional space that is actively selling nationally. We would plan to utilize the same speed and customer service with any new contract accounts. Since our private equity investment in 2022, we have brought on additional team members, invested in inventory, upgraded our IT systems, and have access to additional capital to continue to better scale and support our customers. We look forward to the opportunity to partner with GovMVMT to continue to grow both our companies together and expand our national sales program.

11. While it is anticipated many Public Agencies will be able to utilize the Contract without further formal

**EXHIBIT B
RESPONDENT RESPONSE**

solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Contract. Describe your company's strategies under these options when responding to a solicitation.

- a. Respond with Contract pricing (Contract Sales reported to GovMVMT).
- b. If competitive conditions require pricing lower than the standard Contract not-to-exceed pricing, Respondent may respond with lower pricing through the Contract. If Respondent is awarded the Contract, the sales are reported as contract sales to GovMVMT under the Contract.
- c. Respond with pricing higher than Contract online in the unlikely event that the Public Agency refuses to utilize Contract (Contract sales are not reported to GovMVMT).
- d. If alternative or multiple proposals are permitted, respond with pricing higher than Contract, and include Contract as the alternate or additional proposal.

Response: Victory Supply will use good faith efforts to promote the contract to new solicitation processes. We currently have customers within the federal, state, county and private levels and therefore are experienced when seeing different formats of bid solicitations. We usually try to meet and discuss upcoming solicitations with Public Agencies prior to them positing the bid deadlines. At that time our trained sales team can discuss the benefits of the contract and see if they are open to using it in lieu of their previous format or pricing. We can illustrate the size of the market using the contract to better persuade them of the efficiency and pricing benefits. If not amenable to using the contract pricing, we can always offer it as an alternative for them to continue to consider the benefits.

12. Describe your company's sales goals for this Contract if awarded the Contract, including targeted dollar volume by year:
- \$ _____ 0.00 in year one
 - \$ _____ 0.00 in year two
 - \$ _____ 0.00 in year three

Response: Given the limited information available to Victory at this time, it is difficult to commit to any guaranteed contract sales. Aforementioned, Victory pledges to use its good faith efforts to work in collaboration with GovMVMT to arrive at an intuitive forecast of projected sales in order to set goals and provide directionally correct answers to this question.

E. Additional Information

- 1. Please use this opportunity to describe any other offerings your organization can provide that you feel will provide additional value and benefit to a Participating Public Agency.

Response: Victory Supply differentiates itself on its customer service. The company believes it is one of a few distributors in the correctional space that is actively selling nationally. The company has serviced all 50 states, Puerto Rico and Canada. We also carry over 10,000 SKUs in order to service the vast needs of our customers. 1. REPRESENTATIONS AND COVENANTS

Commitments

GovMVMT views the relationship with an awarded Respondent as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Respondent.

The successful foundation of the partnership requires commitments from both GovMVMT and the Respondent. GovMVMT requires the Respondent to make the four commitments set forth below (Executive, Value, Differentiator, Sales and Marketing) to ensure that Respondent is providing the highest level of public benefit to Participating Public Agencies.

2.1 Executive Commitment

- (i) A true partnership: Respondent shall have full commitment of the Contract from the highest executive level of the organization at any time. This includes being supported by the Respondent's senior executive management.
- (ii) The pricing, terms and conditions of the Contract shall be Respondent's leading contractual offering of Products and Services to all eligible Public Agencies. All of Respondent's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Contract is Respondent's primary offering and not just one of Respondents contract options.
- (iii) Respondent's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Contract when marketing Products or Services to Public Agencies.
- (iv) Respondent shall advise all Public Agencies that are existing customers of Respondent as to the pricing and other value offered through the Contract.
- (v) Upon authorization by a Public Agency, Respondent shall transition such Public Agency to the pricing, terms and conditions of the Contract.
- (vi) Respondent shall provide a national/senior management level representative with the authority and responsibility to ensure that the Respondent's Commitments are maintained at all times. Respondent shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for ensuring timely follow-up by Respondent's staff to requests for contact from Participating Public Agencies. Respondent shall provide the personnel necessary to implement and support a Respondent -based internet web page dedicated to Respondent's GovMVMT program and linked to GovMVMT website and shall implement and support such web page.
- (vii) Respondent shall demonstrate in its procurement solicitation response and throughout the term of the Contract that national/senior management fully supports the GovMVMT program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

Section 1 - Representations and Covenants

- (viii) Where Respondent has an existing contract for Products and Services with a state, Respondent shall notify the state of the Contract and transition the state to the pricing, terms and conditions of the Contract upon the state's request. Regardless of whether the state decides to transition to the Contract, Respondent shall primarily offer the Contract to all Public Agencies located within the state.

2.2 Value Commitment

- (i) Respondent represents to GovMVMT that the pricing in the scope of products offered under the Contract is equal or better than any other pricing options it offers to public agencies. Respondent's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.
- (ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Contract, Respondent shall match that lower pricing under the Contract and inform the eligible Public Agencies that the lower pricing is available under the Contract. If an eligible Public Agency requests to be transitioned to the Contract, Respondent shall do so and report the Public Agency's purchases made under the Contract going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Respondent's obligation to match the pricing under Respondent's contracts offering lower prices.
 - A. Respondent holds a state contract with lower pricing that is available to all Public Agencies within the state. Respondent would be required to match the lower state pricing under the Contract and make it available to all Public Agencies within the state.
 - B. Respondent holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Respondent would be required to match the lower cooperative pricing under the Contract and make it available to the ten cooperative members.
 - C. Respondent holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Respondent would be required to match the lower pricing under the Contract and make it available only to the individual Public Agency.
- (iii) Deviating Buying Patterns. Occasionally GovMVMT and Respondent may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Respondent's pricing under the Contract to be higher than an alternative contract held by Respondent. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Respondent may address the issue by lowering the pricing under the Contract on the item(s) causing the large deviation for that Public Agency. Respondent would not be required to lower the price for other Public Agencies.

Section 1 - Representations and Covenants

- (iv) Respondent's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVMT to encourage Public Agencies to piggyback onto the Contract rather than issue their own procurement solicitations, GovMVMT recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Respondent when responding to a Public Agency solicitation:
- A. Respondent may opt not to respond to the procurement solicitation. Respondent may make the Contract available to the Public Agency as a comparison to its solicitation process.
 - B. Respondent may respond with the pricing, terms and conditions of the Contract. If Respondent is awarded the contract, the sales would be reported as sales under the Contract.
 - C. If competitive conditions require pricing lower than the standard Contract pricing, Respondent may submit lower pricing through the Contract. If Respondent is awarded the contract, the sales would be reported as sales under the Contract. Respondent would not be required to extend the lower price to other Public Agencies.
 - D. Respondent may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Contract. If awarded a contract, Respondent shall still be bound by all obligations set forth in this Section 2, including without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Contract.
 - E. Respondent may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Contract and if an alternative response is permitted, Respondent may offer the pricing under the Contract as an alternative consideration.

- 2.3 Differentiator Commitment.** Respondent shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Respondent can accomplish this by highlighting such facts as:

- A. Lead Public Agency process
- B. Non-profit structure
- C. Public Benefit Programs
- D. Value Commitments
- E. Advisory Council Oversight
- F. Dedicated Field Team

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.2 GovMVMT Representations and Covenants.

GovMVMT shall proactively market the Contract to Public Agencies using resources such as a network of sponsors or sponsorships including the Advisory Council which is comprised of procurement professionals from around the country. In addition, the GovMVMT staff shall make best efforts to enhance Respondent's marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and other marketing activity such as advertising, articles and promotional campaigns.

(b) **Training and Knowledge Management Support**. GovMVMT shall provide support for the education, training and engagement of Respondent's sales force as provided herein. Through its staff (each, a "**Program Manager**" and collectively, the "**Program Managers**"), GovMVMT shall, with scheduling assistance from Respondent, conduct training sessions and conduct calls jointly with Respondent to Public Agencies. GovMVMT shall also provide Respondent with access to GovMVMT's private intranet website which provides presentations, documents and information to assist Respondent's sales force in effectively promoting the Contract.

3.3 Respondent's **Representations and Covenants**. Respondent hereby represents and covenants as

follows in order to ensure that Respondent is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Respondent’s Commitments” and are comprised of the Executive Commitment, Value Commitment, Differentiator Commitment and Sales and Marketing Commitment):

(a) **Executive Commitment**

(i) A true partnership: Respondent shall have full commitment of the Contract from the highest executive level of the organization at any given time. This includes being supported by the Respondent’s senior executive management.

(ii) The pricing, terms and conditions of the Contract shall be the Respondent’s preferred contractual offering of Products and Services to all eligible Public Agencies. All of Respondent’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Contract is Respondent’s preferred offering and not just one of Respondent’s contract options.

(iii) Respondent’s sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Contract when marketing Products or Services to Public Agencies.

(iv) Respondent shall advise all Public Agencies that are existing customers of Respondent as to the pricing and other value offered through the Contract.

(v) Upon authorization by a Public Agency, Respondent shall transition such Public Agency to the pricing, terms and conditions of the Contract.

(vi) Respondent shall provide a national/senior management level representative with the authority and responsibility to ensure that the Respondent’s Commitments are maintained at all times. Respondent shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for ensuring timely follow-up by Respondent’s staff to requests for contact from Participating Public Agencies. Respondent shall also provide the personnel necessary to implement and support a Respondent -based internet web page dedicated to Respondent’s GovMVMT program and linked to GovMVMT’ website and shall implement and support such web page.

(vii) Respondent shall demonstrate in its procurement solicitation response and throughout the term of the Contract that national/senior management fully supports the GovMVMT program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Respondent has an existing contract for Products and Services with a state, Respondent shall notify the state of the Contract and transition the state to the pricing, terms and conditions of the Contract upon the state’s request. Regardless of whether the state decides to transition to the Contract, Respondent shall offer the Contract to all Public Agencies located within the state.

(b) **Value Commitment**

(i) Respondent represents to GovMVMT that the overall pricing in the scope of products and services offered under the Contract is equal to or better than any other pricing options it offers to public agencies. Respondent’s pricing shall be evaluated on either an overall project basis or the Public Agency’s actual usage for more frequently purchased Products and Services.

(ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency’s unique buying pattern provide one or more Public Agencies a lower price than that offered under the Contract, Respondent shall match that lower pricing under the Contract and inform the eligible Public Agencies that the lower pricing is available under the Contract. If an eligible Public Agency requests to be transitioned to the Contract, Respondent shall do so and report the Public Agency’s purchases made under the Contract going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Respondent’s obligation to match the pricing under Respondent’s contracts offering lower prices.

(A) Respondent holds a state contract with lower pricing that is available to all Public

Agencies within the state. Respondent would be required to match the lower state pricing under the Contract and make it available to all Public Agencies within the state.

(B) Respondent holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Respondent would be required to match the lower cooperative pricing under the Contract and make it available to the ten cooperative members.

(C) Respondent holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Respondent would be required to match the lower pricing under the Contract and make it available only to the individual Public Agency.

(iii) Deviating Buying Patterns. Occasionally GovMVMT and Respondent may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Respondent's pricing under the Contract to be higher than an alternative contract held by Respondent. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Respondent may address the issue by lowering the price under the Contract on the item(s) causing the large deviation for that Public Agency. Respondent would not be required to lower the price for other Public Agencies.

(iv) Respondent's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVMT to encourage Public Agencies to piggyback on to the Contract rather than issue their own procurement solicitations, GovMVMT recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Respondent when responding to a Public Agency solicitation:

(A) Respondent may opt not to respond to the procurement solicitation. Respondent may make the Contract available to the Public Agency as a comparison to its solicitation responses.

(B) Respondent may respond with the pricing, terms and conditions of the Contract. If Respondent is awarded the contract, the sales would be reported as sales under the Contract.

(C) If competitive conditions require pricing lower than the standard Contract pricing, Respondent may submit lower pricing through the Contract. If Respondent is awarded the contract, the sales would be reported as sales under the Contract. Respondent would not be required to extend the lower price to other Public Agencies.

(D) Respondent may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Contract. If awarded a contract, Respondent shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Contract.

(E) Respondent may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Contract and if an alternative response is permitted, Respondent may offer the pricing under the Contract as an alternative for consideration.

c) Differentiator Commitment. Respondent shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Respondent can accomplish this by highlighting such facts as:

- Lead Public Agency process
- Non-profit structure

- Public Benefit Programs
- Value Commitments
- Advisory Council Oversight
- Dedicated Field Team

Respondent agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the participating Public Agencies.

(d) **Sales and Marketing Commitment.** Respondent shall market the Contract through Respondent's sales force or dealer network that is properly trained, engaged and committed to properly position the value of the Contract as Respondent's preferred contract for Public Agencies. Respondent's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Respondent Sales.** Respondent shall be responsible for proactive sales of Respondent's Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. Respondent's sales materials targeted towards Public Agencies should include the GovMVMT logo. GovMVMT hereby grants to Respondent, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Respondent's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Respondent with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Respondent shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Respondent's name and logo in connection with the advertising, marketing and promotion of the Contract to Public Agencies. Respondent shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. If Respondent is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Contract, Respondent shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Respondent fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Contract at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion.

ARTICLE IV

PRICING AUDITS

4.1 Respondent shall, at Respondent's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Contract. GovMVMT and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. GovMVMT shall have the authority to conduct random audits of Respondent's pricing that is offered to Participating Public Agencies at GovMVMT's sole

cost and expense. Notwithstanding the foregoing, in the event that GovMVMT is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Contract, GovMVMT shall have the ability to conduct a reasonable audit of Respondent’s pricing at Respondent’s sole cost and expense during regular business hours upon reasonable notice. GovMVMT may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Respondent shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Respondent.

ARTICLE V
FEES & REPORTING

5.1 Administrative Fees. Respondent shall pay to GovMVMT a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Contract, excluding taxes, in the amount of one and three-quarter percent (1.75% or lower according to the volume tiers below) of aggregate purchases made during each calendar month (individually and collectively, “Administrative Fees”). GovMVMT was founded on the principle of large volumes of purchases resulting in aggressive discounts and a great resulting value for those purchasing entities. We believe in additional value and increased savings that result from growth in the program and larger spend volume. This value should exist for the public agency and the Respondent, and thus an incentivized tier structure has been developed to assure that these savings are passed along to the agencies and Respondents in the program. Tiered Administrative fees are outlined below based on Respondents Annual sales volume. Respondent’s annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to GovMVMT, or its designee or trustee as may be directed in writing by GovMVMT.

Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. GovMVMT agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Respondent to help offset Lead Public Agency’s costs incurred in connection with managing the Contract nationally.

Administrative Fee Tiers*

Annual Contract Spend Low	Annual Contract Spend High	Administrative Fee
\$0	\$15,000,000	1.75%
\$15,000,001	\$25,000,000	1.5%
\$25,000,001	\$75,000,000	1.25%
\$75,000,001	> \$75,000,001	1.00%

*Tiered administrative fee structure is based on annual reported sales volume. Sales volume is calculated from January 1st – December 31st of the current calendar year. When a tier level is met, Respondent will be moved to subsequent fee percentage on the next reported monthly report.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Respondent shall deliver to GovMVMT an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Contract during such calendar month (“Sales Report”). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All

purchases shipped and billed pursuant to the Contract for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by GovMVMT against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. GovMVMT reserves the right upon reasonable advance notice to Respondent to change the prescribed report format to accommodate the distribution of the Administrative Fees to its future potential program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. GovMVMT or its designee may, at its sole discretion, compare Respondent's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, future potential sponsors, advisory council members or GovMVMT staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by GovMVMT, GovMVMT shall notify Respondent in writing and Respondent shall have thirty (30) days from the date of such notice to resolve the discrepancy to GovMVMT's reasonable satisfaction. Upon resolution of the discrepancy, Respondent shall remit payment to GovMVMT's trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to GovMVMT in writing to reporting@govmvt.org. If Respondent does not resolve the discrepancy to GovMVMT's reasonable satisfaction within thirty (30) days, GovMVMT shall have the right to engage outside services to conduct an independent audit of Respondent's reports. Respondent shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, GovMVMT shall provide online reporting to Respondent containing Respondent's sales reporting for such calendar month. Respondent shall have access to various reports through the GovMVMT intranet website. Such reports are useful in resolving reporting issues and enabling Respondent to better manage their Contract.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Respondent shall deliver to GovMVMT an electronic usage report of all sales under the Contract, including:

- (i) Respondent's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) GovMVMT Price
- (ix) Number of times ordered
- (x) Units sold
- (ix) Sales by Manufacturer

5.6 Respondent's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Respondent, shall be deemed a cause for termination of the Contract at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

EXHIBIT F FEDERAL FUNDS CONTRACT PROVISIONS

Participating Public Agencies may choose to utilize federal funds to purchase under the Contract. This Exhibit includes language that meets the requirements of Appendix II to the Federal Uniform Guidance. **Complete this Exhibit F and submit as part of your response.**

DEFINITIONS

Contract: A legal instrument by which a Federal funding award recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award. A contract, for the purposes of this Exhibit, does not mean a federal award or subaward. The term “Contract” is interchangeable with the term “Contract.”

Contractor: Contractor means an entity that receives a contract. The term “Contractor” is interchangeable with the term “Respondent.”

Cooperative agreement: A legal instrument of financial assistance between a federal awarding agency or pass-through entity and a non-Federal entity, that is consistent with 31 U.S.C. 6302-6305.

Federal awarding agency: The federal agency that provides a federal award directly to a non-Federal entity (NFE).

Federal award: The financial assistance that an NFE receives either directly from a federal awarding agency or indirectly from a pass-through entity. In this Exhibit, the term is used interchangeable with “Federal awarding agency”, “grant”, and “financial assistance.”

Non-Federal Entity (NFE): A state, local government, Indian Tribe, Institution of Higher Education, or eligible private nonprofit organization that carries out a federal award as a recipient or subrecipient.

Recipient: An NFE that receives a federal award directly from a federal awarding agency to carry out an activity under a federal program. The term recipient does not include subrecipients. A recipient is responsible for administering the federal award in accordance with applicable federal laws. Examples of recipients include state, local governments, Indian tribe, or territorial governments.

Pass-through entity: A recipient that provides a subaward to a subrecipient to carry out part of a federal program is known as the pass-through entity. Pass-through entities are responsible for processing subawards to subrecipients and ensuring subrecipient compliance with the terms and conditions of the Federal funding award agreement.

Simplified Acquisition Threshold (SAT): Simplified acquisition threshold means the dollar amount below which an NFE may purchase property or services using small purchase methods. NFEs adopt small purchase procedures to expedite the purchase of items costing less than the simplified acquisition threshold. The federal SAT is set by the FAR at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of June 2018, the federal SAT is \$250,000 but is periodically adjusted for inflation.

Subaward: An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out a part of federal award received by the pass-through entity. It does not include payments to a Contractor or payments to an individual that is a beneficiary of a federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a Contract.

Subrecipient: An NFE that receives a subaward from a pass-through entity to carry out part of a federal program but does not include an individual that is a beneficiary of such program.

EXHIBIT F

The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 CFR § 5.12.

Under 40 U.S.C. § 3702, each contractor must base wages for every mechanic and laborer on a standard 40-hour work week. Work over 40 hours is allowed, so long as the worker is paid at least one and a half times the base pay rate for all hours worked over 40 hours in the work week. FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

Awarded Respondents may need to respond to work that is being funded in whole or in part with emergency assistance provided by FEMA. Emergency assistance may be due to situations including, but not limited to, water damage, fire damage, biohazard cleanup, sewage decontamination, vandalism cleanup, deodorization, and/or wind damage during a disaster or an emergency.

If any purchase made under the Contract is funded in whole or in part by Federal Emergency Management Agency (“FEMA”) grants, Respondent agrees to execute work in compliance with all federal laws and regulations applicable to the receipt of FEMA grants, including, but not limited to all FEMA requirements as set forth below when products and services are issued in response to an emergency or for disaster recovery. Respondent also agrees to the requirements in the Federal Funds Contract Provisions above.

Definitions

Federal Emergency Management Agency (FEMA): FEMA’s statutory mission is to reduce the loss of life and property and protect the Nation from all hazards, including natural disasters, acts of terrorism, and other man-made disasters, by leading and supporting the Nation in a risk-based, comprehensive emergency management system of preparedness, protection, response, recovery, and mitigation. Among other things;

- FEMA administers its programs and carries out its activities through its headquarters offices in Washington, D.C.; ten Regional Offices, Area Offices for the Pacific, Caribbean, and Alaska; various Recovery Offices; and temporary Joint Field Offices (JFO).
- FEMA administers numerous assistance programs annually for on a regular basis to increase the Nation’s preparedness, readiness and resilience to all hazards. These assistance programs are typically available to NFEs including, but not limited to, states, local governments, Indian Tribes, universities, hospitals, and certain private nonprofit organizations.
- Each program is governed by the applicable federal law, regulations, executive orders and FEMA program-specific policies. As the Federal awarding agency for these programs, FEMA is responsible for the proper management and administration of these programs as otherwise required by law and enforcing the terms of the agreements it enters with NFEs that receive FEMA financial assistance, consistent with the requirements at 2 CFR Part 200.

2 CFR § 200.237 and 2 CFR Part 200, Appendix II, Required Contract Clauses

1. Remedies

In the event a Participating Public Agency uses FEMA funds for more than the federal simplified acquisition threshold (SAT), currently set at \$250,000 for procurements made on or after June 20, 2018, Participating Public Agency will address the administrative, contractual, and legal remedies with contractors in instances where contractors violate or breach contract terms, and must provide sanctions and penalties as appropriate.

For FEMA’s Assistance to Firefighters Grant (AFG) program, the Contract shall include a clause addressing that non-delivery by the Contract’s specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the Contract, has been accepted by the recipient. This penalty clause does not apply for force majeure or acts of God.

2. Termination for Cause and Convenience

EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

When FEMA funds are used, Participating Public Agency reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Contractor or for convenience.

The right to terminate this Contract for convenience of the Participating Public Agency is retained by the Participating Public Agency. In the event of a termination for convenience by the Participating Public Agency, the Participating Public Agency shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to the Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by the Participating Public Agency, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by the Participating Public Agency but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by the Participating Public Agency in connection with the Scope of Services in place which is completed as of the date of termination by the Participating Public Agency and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Services not performed or for consequential damages of any kind.

3. Equal Employment Opportunity

Contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b).

The Participating Public Agency highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this Contract, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or

disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation in ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practice when it participates in federal assisted construction work: *Provided*, that if the applicant so participating is a state or local government, the above equal

opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. Davis-Bacon Act

The Davis-Bacon Act applies to prime construction contracts over \$2,000 and only applies to the Emergency Management Performance Grant Program, Homeland Security Grant Program, Nonprofit Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, Transit Security Grant Program, Intercity Passenger Rail Program, and Rehabilitation of High Hazard Potential Dams Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the PA (Public Assistance) Program.**

All prime construction contracts over \$2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148). The Davis-Bacon Act is supplemented by Department of Labor regulations at 29 CFR Part 5 (Labor Standards Provisions Applicable to Contracts Covering federally Financed and Assisted Construction). See 2 CFR Part 200, Appendix II, § D.

Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor's wage determination. Additionally, Contractors are required to pay wages at least once per week.

The NFE must place a copy of the Department of Labor's current prevailing wage determination in each solicitation. The decision to award must be conditioned on the acceptance of the wage determination. The NFE must report all suspected or reported violations to the federal awarding agency.

For any Contract subject to the Davis-Bacon Act, that Contract must also comply with the Copeland "Anti-Kickback" Act. See Section 5 below for additional information.

EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

If applicable per the standard described above, the Participating Public Agency hereby incorporates the provisions at 29 CFR § 5.5(a)(1)-(5) into the Contract and all applicable Contractors must include these provisions in any Subcontracts.

5. Copeland “Anti-Kickback” Act

The Copeland “Anti-Kickback” Act prohibits workers on construction contracts from giving up wages that they are owed.

Applicability: For all prime construction contracts above \$2,000, when the Davis-Bacon Act applies, the Copeland “Anti-Kickback” Act also applies. In situations where the Davis-Bacon Act does not apply, neither does the Copeland “Anti-Kickback” Act. As with the Davis-Bacon Act, this provision only applies to certain FEMA grant and cooperative agreement programs as noted above in section 4. This Act does not apply to the Public Assistance (PA) Program.

Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this Contract.

Subcontracts. The Contractor or Subcontractor shall insert in any Subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier Subcontractor with all of these Contract clauses.

Breach. A breach of the Contract clauses above may be grounds for termination of the Contract, and for debarment as a Contractor and Subcontractor as provided in 29 CFR § 5.12.

6. Contract Work Hours and Safety Standards Act

Applicability: This required Contract provision applies to all procurements over \$100,000 that involve the employment of mechanics, laborers, and construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(1) *Overtime requirements.* No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of 29 CFR § 5.5(b)(1)-(4) the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1), in the sum of \$27 for each calendar day on which such individual was required or permitted to work

EXHIBIT G
FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)
RECOMMENDED CONTRACT PROVISIONS

in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).

- (3) *Withholding for unpaid wages and liquidated damages.* The Participating Public Agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such Contract or any other federal Contract with the same Prime Contractor, or any other federally-assisted Contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2).
- (4) *Subcontracts.* The Contractor or Subcontractor shall insert in any Subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in paragraphs (b)(1) through (4).

Where contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 CFR § 5.1, the below additional compliance is required:

- (1) The Contractor or Subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
- (2) Records to be maintained under this provision shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the Contractor or Subcontractor will permit such representatives to interview employees during working hours on the job.

7. Rights to Inventions Made Under a Contract or Agreement

This contract provision outlines the rules governing the ownership of inventions created using federal funds. If the FEMA award meets the definition of funding agreement and the NFE enters into any contract involving substitution of parties, assignment or performance of experimental, developmental, or research work under that funding agreement, then the 37 CFR Part 401 applies.

This clause is not required for procurements under FEMA’s Public Assistance (PA) Program and does not apply to all FEMA grant and cooperative agreement programs. The NFE will need to check with their applicable FEMA grant representative to determine if this provision is required for the procurement.

Funding Agreements: The regulation at 37 CFR § 401.2 defines funding agreement as “any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any Contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. This term also includes any assignment,

As such, the Contractor is required to verify that none of the Contractor’s principals (defined at 2 CFR § 180.995) or its affiliates (defined at 2 CFR § 180.905) are excluded (defined at 2 CFR § 180.940) or disqualified (defined at 2 CFR § 180.935).

13. Domestic Preferences for Procurements

Applicability: Applies for purchases in support of FEMA declarations and awards issued on or after November 12, 2020.

As appropriate, and to the extent consistent with the law, the Contractor, should to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

For the purposes of this clause:

Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

RECOMMENDED CONTRACT PROVISIONS

The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Contractor agrees to provide the FEMA Administrator or its authorized representatives access to construction or other work sites pertaining to the work being completed under the Contract.

FEMA recommends that all contracts include a changes clause that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the Contract. The language of the clause may depend on the nature of the contract and the procured item(s) or service(s). Participating Public Agency should also consult with counsel to determine whether and how contract changes are permissible under applicable state, local, or tribal laws or regulations.

16. DHS Seal, Logo, and Flags

The Contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Contractor shall include this provision in any Subcontracts.

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

EXHIBIT H ATTACHMENT 3

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html) A sample

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section
