

UNLIMITED INSTRUCTION

GovMVM

Stabilize Services. Strengthen Your Workforce.

Through our partnership with GovMVM, a national non-profit cooperative purchasing program, K-12 districts have streamlined access to tutors, instructors, other related services, and a managed service provider. The contract was competitively solicited, evaluated, and awarded through a transparent process conducted by Henrico County Public Schools.

Classroom Instruction

Credentialed teachers placed across all grades and subjects, including hard-to-fill roles. UI handles recruiting, onboarding, and payroll with coaching built in.

Tutoring and Intervention

Flexible in-school, after-school, and summer tutoring, in person or virtually. UI manages staffing, training, and operations, with progress reporting built in.

Special Education Staffing

Day-one-ready SPED teachers and paraprofessionals. No relocation or visa delays. Consistent IEP delivery with fewer long-term substitutes.

Pathways to Licensure and Employment

Helps educators earn licensure and move into full-time district roles, building a local talent pipeline over time.

Related Services Staffing

Licensed providers across speech, occupational, behavioral, and physical services. UI manages onboarding, compliance, clinical oversight, and Medicaid billing support.

Managed Services Provider

UI manages all your staffing vendors in one place. Centralized oversight, performance tracking, compliance, and reporting with full visibility and control.
