

# Public Sector Workforce Solutions

Specialized recruiting and workforce strategies delivered through the convenience of the GovMVMt cooperative purchasing program.

As an awarded supplier through GovMVMt, Peoplelink Group provides participating public agencies with streamlined access to Contingent Staffing Services and Recruitment Process Outsourcing (RPO) through a competitively solicited cooperative contract. Since 1987, we have partnered with organizations across the country to solve workforce challenges with responsive service, specialized recruiting expertise, and scalable staffing solutions that help agencies hire the right talent quickly and efficiently.

Peoplelink Group brings together specialized workforce companies under one organization, giving public agencies access to expertise across professional recruiting, IT, commercial staffing, and skilled trades. Whether you need to fill a single critical role or build a comprehensive workforce strategy, our team delivers flexible solutions backed by local service, national resources, and nearly four decades of workforce experience.
