MAKE YOUR SPACE WORK.®

ROOTED IN TRANSPARENCY

Together, we're helping combine the purchasing power of public agencies across all 50 states into government contracts that are competitively solicited, evaluated, and awarded by a public agency, not a third-party organization. This approach ensures both integrity in the process and confidence in the outcome.

Through this partnership, agencies gain access to HON's high-quality, durable furnishings designed to perform in demanding environments and deliver long-term value. Backed by a shared commitment to trust, accountability, and community, HON and GovMVMT continue to support public spaces with solutions that are built to last.
