7.3 Executive Summary and Proposal Overview

7.3 Executive Summary and Proposal Overview

The information provided by Ecologic in bid submission UA22-218, Furniture, Installation, and Related Products and Services, will provide a comprehensive catalog of Resident Housing Furniture. Ecologic specializes in sustainable student housing furniture, installation, and services and therefore will be submitting products and information related to the Resident Housing portion of bid UA22-218. Our products will be listed in the categories of Freestanding Furniture (Case Goods), Seating/Chairs, and Lounge Furniture. Participating Public Agencies will be able to utilize the provided catalog, retail pricing, and consistent price discounts to accurately budget and purchase products through the UA22-218. We will also demonstrate our ability to manufacture and install quality Resident Housing Furniture at the highest level of performance through our references and testimonials. Through competitive price discounts and industry leading services, Ecologic's goal is to present the best overall value to the participating public agencies. The brief company overview provided below is followed by the bid outline as proposed in bid UA22-218.

Ecologic Furniture, an Illinois-based company, was founded in 1989 and is now in its 33rd year of business. Ecologic is a full-service student housing furniture design and manufacturing firm that specializes in creating elegant, yet durable, environmentally friendly student furniture for Universities across North America. Our staff includes highly experienced production engineers, designers, project managers and installation coordinators. We are proud that our reputation is based upon providing consistent, responsive, superior service to our customers. Our primary goal is to continue a tradition of technical innovation and design excellence in furniture manufacturing and installation management. Ecologic has facilities across the United States including our corporate headquarters in Illinois, as well as showrooms and offices in Denver, CO and Naples, FL.

We employ, depending on the season, in excess of 35 staff members at our corporate facilities in Illinois. Ecologic has a corporate office/warehouse that is approximately 30,000 square feet based in Illinois. Also, we augment our corporate presence with several seasonal auxiliary distribution warehouses throughout North America that enable us to ensure a smooth and streamlined, on-time installation process. There are more than 250 employees in our manufacturing facilities, including contracted facilities.

Ecologic has an unwavering commitment to on-time delivery and installation and is proud of our flawless record in delivering a superior experience for our clients. Ecologic works closely with our

customers to ensure all the details required for product manufacturing are met. Our proprietary delivery and installation process is outlined in the following pages.

Additionally, Ecologic offers a full suite of design and rendering services to our customers at no cost. Our in-house engineering team can do high-resolution room mockups to use in promoting their new residence halls. We will provide video services and an interactive guided walk-through at no cost. We welcome the opportunity to share with you these deliverables.

Ecologic also has developed its own APP available in IOS on the Apple App Store. This APP is a service-based application whereby our customers would have their own customized login information and can literally “one click” Ecologic through email, call or text for a service call. We understand that this may not be applicable for use with the UA22-218 purchasing platform but it is available.

Next Generation Student Furniture Attributes

Ecologic’s design team is constantly thinking about student’s needs and the residence hall of the future. We have designed storage options for phones, tablets and laptops attached to the bed platform for easy access and, of course, flexibility. We have incorporated technology centers within our furniture. Features such as wireless chargers embedded within the desk to USB and power outlets in convenient locations for the student. We have installed whiteboards to enhance collaboration, foster communication and inspire creativity. These are cornerstones of our vision of the future of student living.

Craftsmanship & Durability

Our commitment to durability and our time-tested craftsmanship has never changed. Therefore, our furniture is guaranteed against manufacturing defects for the duration of its life. Ecologic Furniture’s product solutions are designed and constructed for the demanding needs of the residence life market. Stylish, durable craftsmanship along with a diverse selection of finishes and fabrics that exceed furniture industry standards make our collections a solid choice. In the following pages please see details of our standard construction techniques.

Sustainability

Ecologic has also been committed to environmental sustainability since its founding. In fact, our first furniture product line was designed using recycled milk cartons. This hard, plastic composite, known in

the industry today as EcoLumber™, is still a leading furniture solution for universities highly committed to sustainability and the environment. Over the years, Ecologic's commitment to environmental sustainability has only increased. We are constantly enhancing our environmentally sustainable business through adaptation of renewable resources and using post-consumer recycled content. In the student housing furniture industry Ecologic has augmented its leadership in its commitment to the environment throughout all its products and business endeavors. Ecologic is a proud supporter of global re-forestation projects and a leader in our industry in donating trees. As part of our global re-forestation initiative, Ecologic has proudly partnered with American Forests®. American Forests is a world leader in planting trees for environmental restoration; a pioneer in the science and practice of urban forestry; and a primary communicator of the benefits of trees and forests. We have included several details of our efforts in the following pages regarding our sustainability efforts.

Community Service

Ecologic also has a long and proud commitment to community service and supporting non-profits. From supporting The University of Puerto Rico during Hurricane Maria to the Ronald McDonald House to donating to Furniture Banks around the country, Ecologic's unwavering commitment to those in need will never, ever change or diminish.

Summation

We appreciate the opportunity participate in bid UA22-218. Our products will be listed in the categories of Freestanding Furniture (Case Goods), Seating/Chair, and Lounge Furniture. The following pages will support the Executive Summary and Proposal Overview.

 - a. Include details about your company's ability to create punch out sites and accept orders electronically.
 - b. Provide detail on your company's ability to integrate with a Public Agency's ERP/purchasing system (Oracle, SAP, Jaggaer, etc.). Please include some details about the resources you have in place to support these integrations.

E. Sales and Marketing

1. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as Supplier's primary go-to market strategy for Public Agencies to Supplier's teams nationwide, including, but not limited to:

- a. Executive leadership endorsement and sponsorship of the award as the Supplier's go-to-market strategy within the first 10 days.
 - b. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the GovMVMT team within the first 90 days.
2. Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, including, but not limited to:
- a. Creation and distribution of a co-branded press release to trade publications.
 - b. Announcement, Master Agreement details and contact information published on the Provider's website within the first 90 days.
 - c. Commitment to attendance and participation with GovMVMT at national (i.e. NIGP Annual Forum, etc.), regional (i.e. Regional NIGP Chapter meetings, Regional Summits, etc.) and provider-specific trade shows, conferences and meetings throughout the term of the Master Agreement.
 - d. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by GovMVMT for partner providers. Booth space will be purchased and staffed by Supplier.
 - e. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement.
 - f. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)
 - g. Dedicated GovMVMT internet web-based homepage on Supplier's website with:
 - GovMVMT Partners standard logo;
 - Copy of original Request for Proposals, including all addendums
 - Copy of Master Agreement, including all amendments between Lead Public Agency and Supplier;
 - Marketing Materials;
 - Electronic link to GovMVMT website including the online registration page;
 - A dedicated toll-free number and email address for GovMVMT.
3. Describe how Provider will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through GovMVMT. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

4. Acknowledge Supplier agrees to provide its logo(s) to GovMVMT and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of GovMVMT logo will require permission for reproduction as well.
5. Confirm Supplier will be proactive in direct sales of Supplier's Products and Services to Public Agencies nationwide and the timely follow up to leads established by GovMVMT. All sales materials are to use the GovMVMT logo. At a minimum, the Supplier's sales initiatives should communicate:
 - a. Master Agreement was competitively solicited and publicly awarded by a Lead Public Agency
 - b. Best government pricing
 - c. No cost to participate
 - d. Non-exclusive
6. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
 - a. Key features of Master Agreement
 - b. Working knowledge of the solicitation process
 - c. Awareness of the range of Public Agencies that can utilize the Master Agreement through GovMVMT
 - d. Knowledge of benefits of the use of cooperative contracts
7. Provide the name, title, email and phone number for the person(s) who will be responsible for:
 - a. Executive Support
 - b. Sales
 - c. Sales Support
 - d. Marketing
 - e. Financial Reporting
 - f. Accounts Payable
 - g. Contracts
8. Describe how Supplier's national sales force is structured, including contact information for the highest level executive responsible for the sales team.
9. Explain how your company's sales team will work with the GovMVMT team to implement, grow and service the national program.
10. Explain how your company will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.
11. While it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a

solicitation for Products covered under the Master Agreement. Describe your company's strategies under these options when responding to a solicitation.

- a. Respond with Master Agreement pricing (Contract Sales reported to GovMVMT).
 - b. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the Contract, the sales are reported as contract sales to GovMVMT under the Master Agreement.
 - c. Respond with pricing higher than Master Agreement online in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract sales are not reported to GovMVMT).
 - d. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.
12. Describe your company's sales goals for this Contract if awarded the Master Agreement, including targeted dollar volume by year:
- \$ _____ .00 in year one
\$ _____ .00 in year two
\$ _____ .00 in year three

F. Financial Statements

1. Submit your current FEIN and latest Dun & Bradstreet report.
2. Please provide an audited income statement and balance sheet from the most recent reporting period.

G. Additional Information

1. Please use this opportunity to describe any other offerings your organization can provide that you feel will provide additional value and benefit to a Participating Public Agency.

GovMVMT ADMINISTRATIVE AGREEMENT

The following GovMVMT Administrative Agreement is an Exhibit to and is incorporated into the Contract to provide (Insert Contract Title) (the “Contract”) between (Insert Lead Public Agency name) and (Insert Supplier Name).

ADMINISTRATION AGREEMENT

This ADMINISTRATION AGREEMENT (“Agreement”) is made as of (Insert Date), by and between GovMVMT (“GovMVMT Purchasing Cooperative”) and (“Supplier”).

RECITALS

WHEREAS, the (“Lead Public Agency”) has entered into a certain Master Agreement dated as of (enter date), referenced as Agreement (No.#), by and between Lead Public Agency and Supplier (as amended from time to time in accordance with the terms thereof, the “Master Agreement”) for the purchase of (the “Products and Services”);

WHEREAS, the Master Agreement provides that any state, county, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), other government agency or nonprofit organization (each a “Public Agency” and collectively, “Public Agencies”) may purchase Products and Services at the prices indicated in the Master Agreement upon prior registration with GovMVMT, in which case the Public Agency becomes a “Participating Public Agency”;

WHEREAS, GovMVMT has the administrative and legal capacity to administer purchases under the Master Agreement to Participating Public Agencies;

WHEREAS, GovMVMT serves in an administrative capacity for the Lead Public Agency and other lead public agencies in connection with other master agreements offered by GovMVMT;

WHEREAS, Lead Public Agency desires GovMVMT to proceed with administration of the Master Agreement on the same basis as other master agreements;

WHEREAS, “GovMVMT Purchasing Cooperative” is a trade name licensed by IGSA

WHEREAS, GovMVMT and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, GovMVMT and Supplier hereby agree as follows:

ARTICLE I

GENERAL TERMS AND CONDITIONS

1.1 The Master Agreement, attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.

1.2 GovMVMT shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications

shall accrue and apply with equal effect to GovMVMT under this Agreement including, without limitation, Supplier's obligation to provide insurance and indemnifications to Lead Public Agency.

1.3 Supplier shall perform all duties, responsibilities and obligations required under the Master Agreement.

1.4 GovMVMT shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Master Agreement as set forth herein, and Supplier acknowledges that GovMVMT shall act in the capacity of administrator of purchases under the Master Agreement.

1.5 With respect to any purchases made by Lead Public Agency or any Participating Public Agency pursuant to the Master Agreement, GovMVMT (a) shall not be construed as a dealer, re- marketer, representative, partner, or agent of any type of Supplier, Lead Public Agency or such Participating Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Lead Public Agency, any Participating Public Agency or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by a Participating Public Agency to (i) comply with procedures or requirements of applicable law or ordinance, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. GovMVMT makes no representations or warranties with respect to any minimum purchases required to be made by Lead Public Agency, any Participating Public Agency, or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement.

ARTICLE II

TERM OF AGREEMENT

2.1 This Agreement is effective as of (Insert Date) and shall terminate upon termination of the Master Agreement or any earlier termination in accordance with the terms of this Agreement, provided, however, that the obligation to pay all amounts owed by Supplier to GovMVMT through the termination of this Agreement and all indemnifications afforded by Supplier to GovMVMT shall survive the term of this Agreement.

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 GovMVMT views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Participating Public Agencies and the Supplier. The successful foundation of the relationship requires certain representations and covenants from both GovMVMT and Supplier.

3.2 GovMVMT Representations and Covenants.

(a) **Marketing**. GovMVMT shall proactively market the Master Agreement to Public Agencies using resources such as a network of sponsors or sponsorships including the Advisory Council which is comprised of procurement professionals from around the country. In addition, the GovMVMT staff shall make best efforts to enhance Supplier's marketing efforts through meetings with Public Agencies, participation in key events and tradeshow and other marketing

activity such as advertising, articles and promotional campaigns.

(b) Training and Knowledge Management Support. GovMVMT shall provide support for the education, training and engagement of Supplier's sales force as provided herein. Through its staff (each, a "Program Manager" and collectively, the "Program Managers"), GovMVMT shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. GovMVMT shall also provide Supplier with access to GovMVMT's private intranet website which provides presentations, documents and information to assist Supplier's sales force in effectively promoting the Master Agreement.

3.3 Supplier's Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as "Supplier's Commitments" and are comprised of the Executive Commitment, Value Commitment, Differentiator Commitment and Sales and Marketing Commitment):

(a) Executive Commitment

(i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any given time. This includes being supported by the supplier's senior executive management.

(ii) The pricing, terms and conditions of the Master Agreement shall be the Supplier's preferred contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's preferred offering and not just one of Supplier's contract options.

(iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(v) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's GovMVMT program and linked to GovMVMT's website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the GovMVMT program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state,

Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall offer the Master Agreement to all Public Agencies located within the state.

(b) **Value Commitment**

(i) Supplier represents to GovMVMT that the overall pricing in the scope of products and services offered under the Master Agreement is equal to or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally GovMVMT and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) **Supplier's Options in Responding to a Third Party Procurement Solicitation.** While it is the objective of GovMVMT to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, GovMVMT recognizes that for various

reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

- (A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.
- (B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.
- (C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
- (D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.
- (E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

c) **Differentiator Commitment.** Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- Lead Public Agency process
- Non-profit structure
- Public Benefit Programs
- Value Commitments
- Advisory Council Oversight
- Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the participating Public Agencies.

(d) **Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to properly position the value of the Master Agreement as Supplier's preferred contract for Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

- (i) **Supplier Sales.** Supplier shall be responsible for proactive sales of

Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. Supplier's sales materials targeted towards Public Agencies should include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides pricing equal to or better than the Supplier's best available pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated GovMVMT internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) GovMVMT standard logo;
- (2) Copy of original procurement solicitation.
- (3) Copy of Master Agreement including any amendments.
- (4) Summary of Products and Services pricing.
- (5) Electronic link to GovMVMT' online registration page; and
- (6) Other promotional material as requested by GovMVMT.
- (7) A dedicated toll-free national hotline for inquiries regarding GovMVMT.
- (8) A dedicated email address for general inquiries in the following format: GovMVMT@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to GovMVMT as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between GovMVMT and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend GovMVMT, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV

PRICING AUDITS

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. GovMVMT and Lead Public Agency each reserve the right to audit the accounting for a period of three(3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. GovMVMT shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at GovMVMT's sole cost and expense. Notwithstanding the foregoing, in the event that GovMVMT is made aware of any pricing being offered to three (3) or more Participating Public

Agencies that is materially inconsistent with the pricing under the Master Agreement, GovMVMT shall have the ability to conduct a reasonable audit of Supplier’s pricing at Supplier’s sole cost and expense during regular business hours upon reasonable notice. GovMVMT may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V

FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to GovMVMT a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of one and three-quarter percent (1.75%) of aggregate purchases made during each calendar month (individually and collectively, “Administrative Fees”). GovMVMT was founded on the principle of large volumes of purchases resulting in aggressive discounts and a great resulting value for those purchasing entities. We believe in additional value and increased savings that result from growth in the program and larger spend volume. This value should exist for the public agency and the supplier, and thus an incentivized tier structure has been developed to assure that these savings are passed along to the agencies and suppliers in the program. Tiered Administrative fees are outlined below based on Suppliers Annual sales volume. Supplier’s annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to GovMVMT, or its designee or trustee as may be directed in writing by GovMVMT.

Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. GovMVMT agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency’s costs incurred in connection with managing the Master Agreement nationally.

Tiered Administrative Fee*

Annual Contract Spend Low	Annual Contract Spend High	Administrative Fee
\$0	\$15,000,000	1.75%
\$15,000,001	\$25,000,000	1.5%
\$25,000,001	\$75,000,000	1.25%
\$75,000,001	> \$75,000,001	1.00%

*Tiered administrative fee structure is based on annual reported sales volume. Sales volume is calculated from January 1st – December 31st of the current calendar year. When a tier level is met, supplier will be moved to subsequent fee percentage on the next reported monthly report.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to GovMVMT an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month (“Sales

Report”). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by GovMVMT against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. GovMVMT reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to future potential program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. GovMVMT or its designee may, at its sole discretion, compare Supplier’s Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, future potential sponsors, advisory board members or GovMVMT staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by GovMVMT, GovMVMT shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to GovMVMT’s reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to GovMVMT’s trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to GovMVMT in writing to reporting@govmvt.org. If Supplier does not resolve the discrepancy to GovMVMT’s reasonable satisfaction within thirty (30) days, GovMVMT shall have the right to engage outside services to conduct an independent audit of Supplier’s reports. Supplier shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, GovMVMT shall provide online reporting to Supplier containing Supplier’s sales reporting for such calendar month. Supplier shall have access to various reports through the GovMVMT intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage their Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to GovMVMT an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier’s Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) GovMVMT Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier’s Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency’s sole discretion or this Agreement at GovMVMT’s sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per

month until paid in full.

ARTICLE VI

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.2 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of GovMVMT, and any assignment without such consent shall be void.

(b) GovMVMT. This Agreement and any rights or obligations hereunder may be assigned by GovMVMT in GovMVMT's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform GovMVMT's obligations hereunder.

6.3 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. GovMVMT may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

GovMVMT:	GovMVMT (Insert Address) Attn: Program Manager Administration
----------	---

Supplier:	(Insert Supplier Information) Attn: GovMVMT Program Manager
-----------	--

6.4 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative, or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.5 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.6 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.7 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.8 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to conflict of law principles that would result in the application of any law other than the law of the State of Delaware.

6.9 Attorneys' Fees. If any action at law or in equity (including, arbitration) is necessary to enforce or interpret the terms of any of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs, and necessary disbursements in addition to any other relief to which such party may be entitled.

6.9 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon GovMVMT, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

IN WITNESS WHEREOF, GovMVMT has caused this Agreement to be executed in its name and Supplier has caused this Agreement to be executed in its name, all as of the date first written above.

Exhibit B

1) National Commitments

Ecologic understands and confirms acceptance of the Supplier Representations and Covenants in Section.

2) Company

1. Ecologic Furniture, an Illinois-based company, was founded in 1989 and is now in its 33rd year of business. Ecologic is a full-service student housing furniture design and manufacturing firm that specializes in creating elegant, yet durable, environmentally friendly student furniture for Universities across North America. Our staff includes highly experienced production engineers, designers, project managers and installation coordinators. We are proud that our reputation is based upon providing consistent, responsive, superior service to our customers. Our primary goal is to continue a tradition of technical innovation and design excellence in furniture manufacturing and installation management. Ecologic has facilities across the United States including our corporate headquarters in Illinois, as well as showrooms and offices in Denver, CO and Naples, FL.

We employ, depending on the season, more than 35 staff members at our corporate facilities in Illinois. Ecologic has a corporate office/warehouse that is approximately 30,000 square feet based in Illinois. Also, we augment our corporate presence with several seasonal auxiliary distribution warehouses throughout North America that enable us to ensure a smooth and streamlined, on-time installation process. There are more than 250 employees in our manufacturing facilities, including contracted facilities.

Ecologic has an unwavering commitment to on-time delivery and installation and is proud of our flawless record in delivering a superior experience for our clients. Ecologic works closely with our customers to ensure all the details required for product manufacturing are met. Our proprietary delivery and installation process is outlined in the following pages.

Additionally, Ecologic offers a full suite of design and rendering services to our customers at no cost. Our in-house engineering team can do high-resolution room mockups to use in promoting their new residence halls. We will provide video services and an interactive guided walk-through at no cost. We welcome the opportunity to share with you these deliverables.

Ecologic also has developed its own APP available in IOS on the Apple App Store. This APP is a service-based application whereby our customers would have their own customized login information and can literally “one click” Ecologic through email, call or

text for a service call. We understand that this may not be applicable for use with the UA22-218 purchasing platform but it is available.

2. Ecologic has an internal sales team based at our corporate headquarters and in Columbus, OH and Houston, TX. Additionally, we work with dealers and independent representatives across the country and serve each state in the United States including Maine to Alaska and Hawaii and Puerto Rico.
3. Ecologic would actively promote this contract to all of our dealers and representatives and sales team. We would educate them about the available agencies, encourage them to share information about the contract and identify ways to market the contract through all of our marketing efforts, including direct mail, direct email, social media, and print.
4. Ecologic's customer support is all based at our corporate headquarters in Waukegan, IL. We have centralized this function to ensure a seamless customer experience and dedicated support team for our customers.
5. Ecologic Sales for the prior three years is of sales with roughly:
 - a. Higher Education 50%
 - b. Private Sector – 50%
 - c. For the past three years our sales have averaged \$18 million annually
6. Our sales reported in Question 5 relate to all our products in our catalog and represent our annual sales in the segments. All our products are available to all of our customers.
7. See reference sheet included in RFP.
8. See Ecologic's statement and commitment to Environmental Responsibility included in this RFP.
9. Ecologic has a multitude of relationship with UB certified dealers and minority owned firms. We will absolutely promote this RFP with those dealers to combine our efforts with this RFP as well as diversity in the marketplace. In fact, Ecologic is the largest supplier of residential hall furniture to the HBCU market.
10. See attached checklist
11. Ecologic does not have a formal affirmative action policy. However, we are focused in creating a diverse workforce and ensuring opportunities for everyone based on merit.

3) Product and Services

1. Ecologic product offering meets and exceeds the requirements of this Solicitation. For over 30 years Ecologic has provided the products and services to public service entries across the country outlined in this Solicitation and is well equipped to service all the needs of the Agencies included.
2. Ecologic conducts regular online training sessions via Zoom and Teams with our customers and sales team. We are always introducing new products and services, as well as providing continuing education on our current product list. This includes design, construction details and options on how best to serve our customers.

3. Ecologic has an entire in-house design team and provides all of these services for free to our clients and prospective clients. We also work with our customers on inventory management and keep ample stock for emergencies.
4. Our normal delivery time is 90-120 days. However, we have an active quick ship program that allows us to ship within 5 days.
5. Any backorders are expedited to ensure a seamless customer experience.
6. Depending on the order, if it is custom or not, Ecologic will charge a restocking fee. For custom, unique product that is built on the customers own unique specifications, Ecologic will work with the customer to determine the nature of the return. For standard product there is a 20% restocking fee.

4) Order Processing and Distribution

1. Ecologic takes orders via signed order confirmations. We work with our clients on a detailed order to ensure all finishes, products and SKUs are correct. Once the order is confirmed correct by all parties, we ensure a signature (digital or otherwise) is received. At that point the account manager for the client will see the entire order through the prices, all the way through delivery. Our accounting team will work with the client on all billing.
2. Ecologic can accept orders through ecommerce or phone, email, etc.
3. Ecologic has an integrated platform for all aspects and all phases of delivery so the client is aware of every step of the process. We pride ourselves on customer experience and ensure a seamless experience for our customers.
4. Our normal payment terms are Net 30. We are proud to offer participating agencies, Net 30, 1% Net 10
5. Ecologic accepts check and ACH and Wire and Procurement Cards.
6. Ecologic already distributes are products nationwide to our customers. We generally use common carriers for our trucking.
7. Ecologic handles all aspects of the processing shipping and handling of the customer experience.
8. Every order with a Participating Public Agency will be marked and tagged as such, and all pricing will be transparent to the agency to ensure compliance with the Mater Agreement.
9. Ecologic has 4 warehouses covering more than 100,000 square feet. We have three in Waukegan, IL and another in Tennessee servicing our Southeast customers.
10. Ecologic can run reports going back to 2008 for each SKU purchased, its price, date and all details for every order for every customer. Ecologic can provide this information to ensure matching product is delivered in future years – which is critical to the process.
11. Ecologic has been building our ecommerce capabilities and can integrate with Jaeger for online ordering.

5) Sales and Marketing

1. Ecologic as the manufacturer will actively promote through our dealership network the Mater Agreement. We will be fully engaged in promoting the agreement and have an active go to market strategy. Executive leadership is fully committed to the market strategy and will be actively engaged with the Gov MVMT team.

2. Ecologic will participate in national and regional advertising programs with various trade publications and also will have an entire section devoted to the GovMVMT section on our website.
3. This Master Agreement will supersede our regional agreements when both are considered.
4. Ecologic agrees to provide our logo to GovMVMT and agrees to permission for reproduction of our logo for all marketing communication.
5. Ecologic confirms it will be proactive in direct sales of Supplier's Products and Services to Public Agencies nationwide and the timely follow up to leads established by GovMVMT.
6. Ecologic confirms it will train its national sales force on the Master Agreement.
7. See Organizational Chart included.
8. Ken Klein as President is responsible for the national sales force.
9. As discussed, prior, this will be a top priority for Ecologic to ensure the sales team is actively education on this contract and will promote it widely.
10. Ecologic will have a dedicated account manager for the Master Agreement to ensure it complies and all marketing and sales efforts are widely distributed.
11. Whenever Ecologic can use the Master Agreement in RFPs or responses to solicitations it will do so.
12. Ecologic goal is to do \$5-\$10 million per year in sales on this Master Agreement.

F. Financial Statement

1. EIN 26-2200106
2. Ecologic does not have a D&B report as its credit history is excellent and has never required this in the past.
3. Ecologic is a privately held company and can send detailed financial reports during consideration of the contract process directly to the Master Agreement staff for further verification.

G. Additional Information

Ecologic will be an excellent representative of the Master Agreement and is exciting to be the contract's leading Residential Room Furniture provider on the Agreement across the country.

EXHIBIT D

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement (“Agreement”) is entered into by and between those certain government agencies that execute a Lead Public Agency Certificate (collectively, “Lead Public Agencies”) to be appended and made a part hereof and other government agencies (“Participating Public Agencies”) who register to participate in the GovMVMT Purchasing Cooperative on the GovMVMT website (<https://www.govmvt.org>).

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers (each, a “Contract Supplier”) have entered into Master Agreements with Lead Public Agencies to provide a variety of goods, products and services to the applicable Lead Public Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Lead Public Agencies through GovMVMT Purchasing Cooperative and provide that Participating Public Agencies may purchase Products and Services at the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable Federal laws, local purchasing ordinances and laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of any intergovernmental cooperative act, if applicable, to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost; and

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. Each party will facilitate the cooperative procurement of Products and Services.
2. The procurement of Products and Services subject to this Agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations, that govern each party’s procurement practices.
3. The cooperative use of Master Agreements obtained by a party to this Agreement shall be in accordance with the terms and conditions of the Master Agreement, except as modification of those terms and conditions is otherwise allowed or required by applicable law.

4. The Lead Public Agencies will make available, upon reasonable request, information regarding the Master Agreement which may assist in improving the procurement of Products and Service by the Participating Public Agencies.
5. The Participating Public Agency will make timely payments to the Contract Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency. Disputes between the Participating Public Agency and Contract Supplier are to be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Participating Public Agency and Contract Supplier.
6. The Participating Public Agency shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar Products or Services. Master Agreements may be structured with not-to-exceed pricing, in which case the Contract Supplier may offer the Participating Public Agency and the Participating Public Agency may accept lower pricing or additional concessions for purchase of Product and Services through the Master Agreement.
7. The Participating Public Agency shall be responsible for the ordering of Products and Services under this Agreement. The Lead Public Agency or any other party shall not be liable in any manner for any violation by the Participating Public Agency, and, to the extent permitted by applicable law, the Participating Public Agency shall hold the Lead Public Agency and any other party harmless from any liability that may arise from the acts or omissions of the Participating Public Agency.
8. The exercise of any rights or remedies by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency.
9. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of the Agreement shall survive any such termination.
10. This Agreement shall be effective after execution of the Lead Public Agency Certificate or Participating Public Agency registration on the GovMVMT website, as applicable.

EXHIBIT E

LEAD PUBLIC AGENCY CERTIFICATE

In its capacity as a Lead Public Agency for GovMVMT Purchasing Cooperative, _____ has read and agrees to the general terms and conditions set forth in the Master Intergovernmental Cooperative Purchasing Agreement (“MICPA”) regulating the use of the Master Agreements and purchase of Products and Services that from time to time are made available by Lead Public Agency to Participating Public Agencies nationwide through GovMVMT. Copies of Master Agreements and any amendments thereto made available by Lead Public Agency will be provided to Suppliers and GovMVMT to facilitate use by Participating Public Agencies.

I understand that the purchase of one or more Products and Services under the provisions of MICPA is at the sole and complete discretion of the Participating Public Agency.

EXHIBIT F

FEDERAL FUNDS CONTRACT PROVISIONS

Participating Public Agencies may choose to utilize federal funds to purchase under the Master Agreement. This Exhibit includes language that meets the requirements of Appendix II to the Federal Uniform Guidance. **Complete this Exhibit F and submit as part of your response.**

DEFINITIONS

Contract: A legal instrument by which a FEMA award recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award. A contract, for the purposes of this Exhibit, does not mean a federal award or subaward. The term “Contract” is interchangeable with the term “Master Agreement.”

Contractor: Contractor means an entity that receives a contract. The term “Contractor” is interchangeable with the term “Supplier.”

Cooperative agreement: A legal instrument of financial assistance between a federal awarding agency or pass-through entity and a non-Federal entity, that is consistent with 31 U.S.C. 6302-6305.

Federal awarding agency: The federal agency that provides a federal award directly to a non-Federal entity (NFE).

Federal Emergency Management Agency (FEMA): FEMA’s statutory mission is to reduce the loss of life and property and protect the Nation from all hazards, including natural disasters, acts of terrorism, and other man-made disasters, by leading and supporting the Nation in a risk-based, comprehensive emergency management system of preparedness, protection, response, recovery, and mitigation. Among other things;

- FEMA administers its programs and carries out its activities through its headquarters offices in Washington, D.C.; ten Regional Offices, Area Offices for the Pacific, Caribbean, and Alaska; various Recovery Offices; and temporary Joint Field Offices (JFO).
- FEMA administers numerous assistance programs annually for on a regular basis to increase the Nation’s preparedness, readiness and resilience to all hazards. These assistance programs are typically available to NFEs including, but not limited to, states, local governments, Indian Tribes, universities, hospitals, and certain private nonprofit organizations.
- Each program is governed by the applicable federal law, regulations, executive orders and FEMA program-specific policies. As the Federal awarding agency for these programs, FEMA is responsible for the proper management and administration of these programs as otherwise required by law and enforcing the terms of the agreements it enters with NFEs

that receive FEMA financial assistance, consistent with the requirements at 2 CFR Part 200.

Federal award: The financial assistance that an NFE receives either directly from a federal awarding agency or indirectly from a pass-through entity. In this Exhibit, the term is used interchangeable with “FEMA Award”, “grant”, and “financial assistance.”

Non-Federal Entity (NFE): A state, local government, Indian Tribe, Institution of Higher Education, or eligible private nonprofit organization that carries out a federal award as a recipient or subrecipient.

Recipient: An NFE that receives a federal award directly from a federal awarding agency to carry out an activity under a federal program. The term recipient does not include subrecipients. A recipient is responsible for administering the federal award in accordance with applicable federal laws. Examples of recipients include state, local governments, Indian tribe, or territorial governments.

Pass-through entity: A recipient that provides a subaward to a subrecipient to carry out part of a federal program is known as the pass-through entity. Pass-through entities are responsible for processing subawards to subrecipients and ensuring subrecipient compliance with the terms and conditions of the FEMA award agreement.

Simplified Acquisition Threshold (SAT): Simplified acquisition threshold means the dollar amount below which an NFE may purchase property or services using small purchase methods. NFEs adopt small purchase procedures to expedite the purchase of items costing less than the simplified acquisition threshold. The federal SAT is set by the FAR at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of June 2018, the federal SAT is \$250,000 but is periodically adjusted for inflation.

Subaward: An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out a part of federal award received by the pass-through entity. It does not include payments to a Contractor or payments to an individual that is a beneficiary of a federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a Contract.

Subrecipient: An NFE that receives a subaward from a pass-through entity to carry out part of a federal program but does not include an individual that is a beneficiary of such program.

Uniform Guidance: The series of regulations found at 2 CFR Part 200 that establishes Uniform Administrative Requirements, Cost Principles, and Audit Requirements for federal awards to NFEs. The Uniform Rules are referred to by several names throughout this Exhibit. Some of the names include standards, requirements, rules, and regulations.

The following certifications and provisions may be required and apply with a Participating Public Agency spends federal funds for any purchase resulting from this procurement process. Pursuant to 2 CFR § 200.237, all contracts, including small purchases, awarded by the Participating Public Agency and the Participating Public Agency's Contractors and Subcontractors shall contain the procurement provisions of Appendix II to CFR Part 200, as applicable.

APPENDIX II TO 2 CFR 200

1. **Remedies.** Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which a Non-Federal Entity ("NFE") may purchase property or services using small purchase methods, currently set at \$250,000 for procurements made on or after June 20, 2018, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and must provide for sanctions and penalties as appropriate.

Pursuant to this Federal Rule, 1, Remedies, above, when a Participating Public Agency spends federal funds, the Participating Public Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

2. **Termination for Cause and Convenience.** Contracts for cause and for convenience by the grantee or subgrantee, including the manner by which it will be carried out and the basis for settlement. This applies to contracts that are more than \$10,000.

Pursuant to this Federal Rule, 2, Termination for Cause and Convenience above, when a Participating Public Agency spends federal funds, the Participating Public Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Supplier or for convenience as detailed in the terms of the contract.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

3. **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" must include the equal opportunity clause found in 2 CFR Part 200.

Pursuant to this Federal Rule, 3, Equal Employment Opportunity above, when a Participating Public Agency spends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

4. **Davis-Bacon Act.** When required by the federal program legislation, prime construction contracts over \$2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. In accordance with the statute, contractors must pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor’s wage determination. Additionally, contractors are required to pay wages at least once per week. The NFE must place a copy of the Department of Labor’s current prevailing wage determination in each solicitation. Contracts or subcontracts must be awarded on the condition that the prevailing wage determination is accepted. The NFE must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act for all contracts subject to the Davis-Bacon Act. According to 29 CFR § 5.5(a)(5), the regulatory requirements for the Copeland “Anti-Kickback” Act are incorporated by reference into the required contract provision, so a separate contract provision is not necessary. The NFE must and hereby includes the provisions at 29 CFR § 5.5(a)(1)-(10) in full into all applicable contracts and all applicable contractors must include their provisions in full in any subcontracts.

Pursuant to Federal Rule, 4, Davis-Bacon Act above, when a Participating Public Agency spends federal funds during the term of the award for all contracts and subcontracts for construction or repair, Supplier will be in compliance with all applicable Davis-Bacon Act provisions.

Daniel S. Goldman agrees
(Initial of Supplier’s Authorized Representative)

5. **Copeland “Anti-Kickback” Act.** The Copeland “Anti-Kickback” Act prohibits workers on construction contracts from giving up wages that they are owed. This Act prohibits each contractor and subcontractor from any form of persuading a person employed in construction, completion, or repair of public work to give up any part of their rightful compensation. The NFE must report all suspected or reported violations of the Copeland “Anti-Kickback” Act to FEMA. The contractor shall comply with 18 U.S.C § 874,40 U.S.C § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this contract. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 CFR § 5.12.

Pursuant to Federal Rule, 5, Copeland “Anti-Kickback” Act, when a Participating Public Agency spends federal funds during the term of the award for all contracts and subcontracts for construction and repair, Supplier will be in compliance with all applicable Copeland “Anti-Kickback” Act provisions.

6. **Contract Work Hours and Safety Standards Act.** Where applicable, all contracts awarded by the NFE of more than \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with statutory requirements on work hours and safety standards. Under 40 U.S.C. § 3702, each contractor must base wages for every mechanic and laborer on a standard 40-hour work week. Work over 40 hours is allowed, so long as the worker is paid at least one and a half times the base pay rate for all hours worked over 40 hours in the work week. Additionally, for construction work, under 40 U.S.C. § 3704, work surroundings and conditions for laborers and mechanics must not be unsanitary or unsafe. Relevant definitions are at 40 U.S.C. § 3701 and 29 CFR § 5.2. These requirements do not apply to the purchase of supplies or materials ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule, 6, Contract Work Hours and Safety Standards Act above, when a Participating Public Agency spends federal funds, Supplier certifies that Supplier will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Public Agency resulting from this procurement process.

7. **Rights to Inventions Made Under a Contract or Agreement.** This contract provision outlines the rules governing the ownership of inventions created using federal funds. If the FEMA award meets the definition of funding agreement and the NFE enters into any contract involving substitution of parties, assignment or performance of experimental, developmental or research work under that funding agreement, then the NFE must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by FEMA. The regulation at 37 CFR § 401.2(a) defines funding agreement as “any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, development, or research work under a funding agreement as defined in this paragraph.

Pursuant to Federal Rule, 7, Rights to Inventions Made Under a Contract or Agreement above, when federal funds are spent by a Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier agrees to comply with all applicable requirements as referenced in this Federal Rule.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

8. **Clean Air Act and Federal Water Pollution Control Act.** For contracts over \$150,000, contractors must agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S. C. § 7401 and the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA. Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule, 8, Clean Air Act and Federal Water Pollution Control Act above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier agrees to comply with all applicable requirements as referenced in this Federal Rule.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

9. **Debarment and Suspension.** For all contracts and subcontracts (see 2 CFR § 180.220), an award must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM). SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties that are debarred, suspended, or otherwise excluded, or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule, 9, Debarment and Suspension above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of the award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that none of its principals or its affiliates are debarred, suspended, or otherwise excluded, or ineligible from participation by any federal department or agency. If at any time during the term of the award the Supplier or its principals or affiliates become debarred, suspended, or otherwise excluded, or ineligible by any federal department or agency, the Supplier will notify the Participating Public Agency.

Daniel S. Goldman agrees

10. **Byrd Anti-Lobbying Amendment.** Contractors that apply or bid for an award of more than \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an employee of a federal agency, a Member of Congress, an employee of Congress, or an employee of a Member of Congress in connection with receiving any federal contract, grant, or other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient who in turn will forward the certification(s) to the federal awarding agency.

Pursuant to Federal Rule, 10, Byrd Anti-Lobbying above, when federal funds are expended by Participating Public Agency, the Supplier certifies that during the term and after the awarded term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment. The undersigned further certifies:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (Including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) exceeding \$100,000 and that all subrecipients shall certify and disclose accordingly.

- 11. Procurement of Recovered Materials.** Contractors must comply with Section 6002 of the Solid Waste Disposal Act when the purchase price is greater than \$10,000. In the performance of this contract, Contractor shall make maximum use of products containing recovered material that are EPA-designated items unless the product cannot be acquired (i) competitively within a timeframe providing for compliance with the contract performance schedule; (ii) meeting contract performance requirements; or (iii) at a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: <https://www.epa.gov/smm/comprehensive-procurement-guidelining-cpg-program>. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Pursuant to Federal Rule, 11, Procurement of Recovered Materials above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies it will be in compliance with Section 6002 of the Solid Waste Disposal Act.

- 12. Prohibition of Contracting for Covered Telecommunications Equipment or Services.** Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 CFR § 200.216, as implemented by FEMA Policy 401-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to:
- a. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - b. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
 - c. Enter into, extend, or renew contract with entities that use covered telecommunications equipment or services as a substantial or essential component or any system, or as critical technology as part of any system.

Pursuant to Federal Rule, 12, Prohibition of Contracting for Covered Telecommunications Equipment or Services above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that is will comply with this Prohibition.

Daniel S. Goldman agrees

- 13. Domestic Preferences for Procurements.** As appropriate, and to the extent consistent with law, the Contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For the purposes of this clause, produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Pursuant to Federal Rule, 13, Domestic Preferences for Procurements above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that is will comply with this Domestic Preference for Procurements.

14. Access to Records.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies that it agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Supplier which are directly pertinent to this contract for the purposes of making audits, examinations, excerpt, and transcriptions.

The Supplier agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Supplier agrees to provide the FEMA Administrator or its authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the Participating Public Agency and the Supplier acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

15. Changes to Contract.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies that it understands that changes by either the Participating Public Agency or Supplier can be made to alter the method, price, or schedule of the work without breaching the contract provided such changes are mutually agreed to. The applicability of such changes may depend on the nature of the contract and the procured item(s) or service(s) and Participating Public Agency should consult with servicing legal counsel to determine how contract changes are permissible under applicable state, local, or tribal laws or regulations.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

16. DHS Seal, Logo, and Flags.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies it will not use the DHS seal(s), logos, crests, or

reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Supplier certifies that subcontractors will also comply with this provision.

Daniel S. Goldman

(Initial of Supplier's Authorized Representative)

17. Compliance with Federal Law, Regulations, and Executive Orders and Acknowledgement of Federal Funding.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier acknowledges that FEMA financial assistance will be used to fund all or a portion of the contract. The Supplier agrees to comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

Daniel S. Goldman
_____ agrees
(Initial of Supplier's Authorized Representative)

18. No Obligation by Federal Government.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies the federal government is not a party to this contract and is not subject to any obligations or liabilities to the Participating Public Agency, Supplier, or any other party pertaining to any matter resulting from the contract.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

19. Program Fraud and False or Fraudulent Statements or Related Acts.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier acknowledges that 31U.S.C. Chapter 38 (Administrative Remedies for False Claims and Statements) applies to the Supplier's actions pertaining to this contract.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

20. Affirmative Socioeconomic Steps.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies that if subcontracts are to be let, Supplier is required to take all necessary steps identified in 2 CFR § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

21. Copyright and Data Rights.

When federal funds are spent by a Participating Public Agency for any contract resulting from this procurement process, Supplier certifies for "License and Delivery of Works Subject to Copyright and Data Rights," that Supplier grants to the Participating Public Agency, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this contract, the Supplier will identify such data and grant to the Participating Public Agency or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or

other audiovisual works, sound and/or video recordings, and architectural works. Upon nor before the completion of this contract, the Supplier will deliver to the Participating Public Agency data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the Participating Public Agency.

Daniel S. Goldman agrees
(Initial of Supplier's Authorized Representative)

Supplier agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that Supplier certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

**FEMA
(FEDERAL EMERGENCY MANAGEMENT AGENCY)
SPECIAL CONDITIONS**

Awarded Suppliers may need to respond to work that is being funded in whole or in part with emergency assistance provided by FEMA. Emergency assistance may be due to situations including, but not limited to, water damage, fire damage, biohazard cleanup, sewage decontamination, vandalism cleanup, deodorization, and/or wind damage during a disaster or an emergency.

By submitting a proposal, the Supplier is accepting these FEMA Special Conditions and agrees to execute work in compliance with all FEMA requirements as set forth below when products and services are issued in response to an emergency or for disaster recovery. Supplier also agrees to the requirements in the Federal Funds Contract Provisions above.

2 CFR § 200.237 and 2 CFR Part 200, Appendix II, Required Contract Clauses

1. Remedies

In the event a Participating Public Agency uses FEMA funds for more than the federal simplified acquisition threshold (SAT), currently set at \$250,000 for procurements made on or after June 20, 2018, Participating Public Agency will address the administrative, contractual, and legal remedies with contractors in instances where contractors violate or breach contract terms, and must provide sanctions and penalties as appropriate.

For FEMA's Assistance to Firefighters Grant (AFG) program, the Contract shall include a clause addressing that non-delivery by the Contract's specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the Contract, has been accepted by the recipient. This penalty clause does not apply for force majeure or acts of God.

2. Termination for Cause and Convenience

When FEMA funds are used, Participating Public Agency reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Contractor or for convenience.

The right to terminate this Contract for convenience of the Participating Public Agency is retained by the Participating Public Agency. In the event of a termination for convenience by the Participating Public Agency, the Participating Public Agency shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to the Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by the Participating Public Agency, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by the Participating Public Agency but not yet paid for and which cannot be returned,

and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by the Participating Public Agency in connection with the Scope of Services in place which is completed as of the date of termination by the Participating Public Agency and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Services not performed or for consequential damages of any kind.

3. Equal Employment Opportunity

The Participating Public Agency highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this Contract, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complain or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation in ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practice when it participates in federal assisted construction work: *Provided*, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors

with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. Davis-Bacon Act

The Davis-Bacon Act applies to prime construction contracts over \$2,000 and only applies to the Emergency Management Performance Grant Program, Homeland Security Grant Program, Nonprofit Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, Transit Security Grant Program, Intercity Passenger Rail Program, and Rehabilitation of High Hazard Potential Dams Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the PA (Public Assistance) Program.**

All prime construction contracts over \$2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148). The Davis-Bacon Act is supplemented by Department of Labor regulations at 29 CFR Part 5 (Labor Standards Provisions Applicable to Contracts Covering federally Financed and Assisted Construction). See 2 CFR Part 200, Appendix II, § D.

Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor's wage determination. Additionally, Contractors are required to pay wages at least once per week.

The NFE must place a copy of the Department of Labor's current prevailing wage determination in each solicitation. The decision to award must be conditioned on the acceptance of the wage determination. The NFE must report all suspected or reported violations to the federal awarding agency.

For any Contract subject to the Davis-Bacon Act, that Contract must also comply with the Copeland "Anti-Kickback" Act. See Section 5 below for additional information.

If applicable per the standard described above, the Participating Public Agency hereby incorporates the provisions at 29 CFR § 5.5(a)(1)-(5) into the Contract and all applicable Contractors must include these provisions in any Subcontracts.

5. Copeland “Anti-Kickback” Act

The Copeland “Anti-Kickback” Act prohibits workers on construction contracts from giving up wages that they are owed.

Applicability: For all prime construction contracts above \$2,000, when the Davis-Bacon Act applies, the Copeland “Anti-Kickback” Act also applies. In situations where the Davis-Bacon Act does not apply, neither does the Copeland “Anti-Kickback” Act. As with the Davis-Bacon Act, this provision only applies to certain FEMA grant and cooperative agreement programs as noted above in section 4. This Act does not apply to the Public Assistance (PA) Program.

Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this Contract.

Subcontracts. The Contractor or Subcontractor shall insert in any Subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier Subcontractor with all of these Contract clauses.

Breach. A breach of the Contract clauses above may be grounds for termination of the Contract, and for debarment as a Contractor and Subcontractor as provided in 29 CFR § 5.12.

6. Contract Work Hours and Safety Standards Act

Applicability: This required Contract provision applies to all procurements over \$100,000 that involve the employment of mechanics, laborers, and construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(1) *Overtime requirements.* No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of 29 CFR § 5.5(b)(1)-(4) the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under Contract for the District of Columbia or a territory, to such District or to such

territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1), in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).

- (3) *Withholding for unpaid wages and liquidated damages.* The Participating Public Agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such Contract or any other federal Contract with the same Prime Contractor, or any other federally-assisted Contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2).
- (4) *Subcontracts.* The Contractor or Subcontractor shall insert in any Subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in paragraphs (b)(1) through (4).

Where contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 CFR § 5.1, the below additional compliance is required:

- (1) The Contractor or Subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
- (2) Records to be maintained under this provision shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the Contractor or Subcontractor will permit such representatives to interview employees during working hours on the job.

7. Rights to Inventions Made Under a Contract or Agreement

This contract provision outlines the rules governing the ownership of inventions created using federal funds. If the FEMA award meets the definition of funding agreement and the NFE enters into any contract involving substitution of parties, assignment or performance of

experimental, developmental, or research work under that funding agreement, then the 37 CFR Part 401 applies.

This clause is not required for procurements under FEMA’s Public Assistance (PA) Program and does not apply to all FEMA grant and cooperative agreement programs. The NFE will need to check with their applicable FEMA grant representative to determine if this provision is required for the procurement.

Funding Agreements: The regulation at 37 CFR § 401.2 defines funding agreement as “any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any Contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.”

8. Clean Air Act and Federal Water Pollution Control Act

This contract provision applies for all procurements over \$150,000.

“Clean Air Act”

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

The Contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office.

The Contractor agrees to include these requirements in each Subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA.

“Federal Water Pollution Control Act”

The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.

The Contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Participating Public Agency, Federal Emergency Management Association (FEMA), and the appropriate Environmental Protection Agency Regional Office.

The Contractor agrees to include these requirements in each Subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA.

9. Debarment and Suspension

Applicability: This clause applies to all FEMA grant and cooperative agreement programs.

This Contract is a covered transaction for purposes of 2 CFR Part 180 and 2 CFR Part 3000. As such, the Contractor is required to verify that none of the Contractor's principals (defined at 2 CFR § 180.995) or its affiliates (defined at 2 CFR § 180.905) are excluded (defined at 2 CFR § 180.940) or disqualified (defined at 2 CFR § 180.935).

The Contractor must comply with 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by Participating Public Agency. If it is later determined that the Contractor did not comply with 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C, in addition to remedies available to Participating Public Agency, the federal government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring compliance in its lower tier covered transactions.

10. Byrd Anti-Lobbying Amendment

Applicability: The Byrd Anti-Lobbying Amendment clause and certification are required for contracts of more than \$100,000, and for subcontracts of more than \$100,000.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of more than \$100,000 shall file the required certification. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal awarding agency.

APPENDIX A, 44 CFR PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of her or her knowledge and belief, that:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of

a Member of Congress in connection with the awarding of any federal grant, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representative of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, Title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, [Ecologic Industries, LLC](#), certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

11. Procurement of Recovered Materials

Applicability: This provision applies to all procurements over \$10,000 made by a state agency or an agency of a political subdivision of a state and its contractors.

In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:

- a. Competitively within a timeframe providing for compliance with the contract performance schedule;
- b. Meeting contract performance requirements; or
- c. At a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

12. Prohibition on Contracting for Covered Telecommunications Equipment or Services

Applicability: This provision is required for all awards/purchases issued on or after November 12, 2020.

(a) *Definitions.* As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

(b) *Prohibitions.*

(1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 CFR § 200.216 prohibit the head of an executive agency on or after Aug. 13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

(2) Unless an exception in paragraph (c) of this clause applies, the Contractor and its Subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

- (i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
- (ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

- (iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
- (iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that used covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) *Exceptions.*

(1) This clause does not prohibit contractors from providing:

- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
- (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to:

- (i) Covered telecommunications equipment or services that:
 - i. Are not used as a substantial or essential component of any system; and
 - ii. Are not used as critical technology of any system.
- (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

(d) *Reporting Requirements.*

(1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a Subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause:

- (i) Within one business day from the date of such identification or notification: The Contract number, the order number(s), if applicable; supplier name, supplier unique entity identifier (if known); supplier commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.
- (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts.* The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

13. Domestic Preferences for Procurements

Applicability: Applies for purchases in support of FEMA declarations and awards issued on or after November 12, 2020.

As appropriate, and to the extent consistent with the law, the Contractor, should to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

For the purposes of this clause:

Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

14. Access to Records

The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Contractor agrees to provide the FEMA Administrator or its authorized representatives access to construction or other work sites pertaining to the work being completed under the Contract.

In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the Participating Public Agency and the Contractor acknowledge and agree that no language in this Contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

15. Changes

To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable. See 2 CFR § 200.403.

FEMA recommends that all contracts include a changes clause that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the Contract. The language of the clause may depend on the nature of the contract and the procured item(s) or service(s). Participating Public Agency should also consult with counsel to determine whether and how contract changes are permissible under applicable state, local, or tribal laws or regulations.

16. DHS Seal, Logo, and Flags

The Contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Contractor shall include this provision in any Subcontracts.

17. Compliance with Federal Law, Regulations, and Executive Orders and Acknowledgement of Federal Funding

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the Contract. The Contractor will comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

18. No Obligation by Federal Government

The federal government is not a party to this Contract and is not subject to any obligations or liabilities to the NFE, Contractor, or any other party pertaining to any matter resulting from the Contract. See 2 CFR § 200.318(k).

19. Program Fraud and False or Fraudulent Statements or Related Acts

The Contractor acknowledges that 31 U.S.C Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

20. Affirmative Socioeconomic Steps

Applicability: For procurements under FEMA declarations and awards issued on or after November 12, 2020.

If Subcontracts are to be let, the Prime Contractor is required to take all necessary steps identified in 2 CFR § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

21. Copyright and Data Rights

Applicability: When a Participating Public Agency enters into a Contract requiring a Contractor or Subcontractor to produce copyrightable subject matter and/or data for the Participating Public Agency under the award, the Participating Public Agency should include appropriate copyright and data licenses to meet its obligations under 2 CFR § 200.315(b) and (d), respectively.

The Contractor grants to the Participating Public Agency, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the Participating Public Agency or acquires on its behalf a license of the same scope as for data first produced in the performance of this Contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this Contract, the Contractor will deliver to the Participating Public Agency data first produced in the performance of this Contract and data required by the Contract but not first produced in the performance of this Contract in formats acceptable by the Participating Public Agency.

Supplier agrees to comply will all terms and conditions outlined in the FEMA Special Conditions section of this solicitation.

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as

established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of

paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

- f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

Noted - this is required within 10 days of an award.

Ecologic Industries and Daniel Goldman have not made any political contributions.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to**

Board of Education contracts.

* N.J.S.A. 19:44A-3(s): “The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”

THE UNIVERSITY OF ALABAMA®

STATE OF ALABAMA IMMIGRATION COMPLIANCE LAW

Compliance Notice.

By submitting a response to this Solicitation, Respondent agrees that it will fully comply with the State of Alabama Immigration Law (Act 2011-535), as amended. A Respondent also shall enroll in the E-Verify Program prior to performing any work, or continuing to perform any on-going work, and shall remain enrolled throughout the entire course of its performance of the contract awarded pursuant to this Solicitation. By signing a contract as a result of this Solicitation, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.” To the fullest extent permitted by law, the Contractor shall defend, indemnify and hold harmless the University from any and all losses, consequential damages, expenses (including but not limited to, attorneys’ fees), claims, suits, liabilities, fines, penalties, and any other costs arising out of or in any way related to Contractor’s failure to fulfill its obligations contained in this paragraph or contained in the Alabama Immigration Law (Act 2011-535), as amended.

State of Alabama Immigration Law (Act 2011-535)

The successful contractor will be required to provide written certification they are in compliance with Section 9 of the State of Alabama Immigration Law (Act 2011-535). Per the scenarios described below, the document applicable to your company should be submitted prior to issuance of a University contract or purchase order.

- **Scenario 1:**

If your company is **not** located in Alabama and your company does **not** have employees or subcontractors that work in the State of Alabama – Complete the form found on page 2 of this attachment.

- **Scenario 2:**

If your company is located in Alabama or your company has employees working in Alabama – Provide one-page E-verify Employment Eligibility Verification (only). See page 3 of this attachment for example.

If your company has previously enrolled in E-Verify, the one-page verification can be accessed by:

- Log onto www.uscis.gov/everify
- Click “Edit Company Profile” and print this one-page document.
- This one-page document must be submitted prior to a contract or purchase order being issued.

If your company is **not** currently enrolled in E-Verify, follow these instructions to enroll and access verification form:

- Log onto www.uscis.gov/everify
- Click “Enroll in E-Verify” and follow the directions to begin enrollment process.
- When enrollment process is complete, click “Edit Company Profile” and print this one-page document.
- This one-page document must be submitted prior to a contract or purchase order being issued.
- For further assistance please consult the [E-Verify Quick Reference Guide](#)

7.5 Criteria 2 – Product/Services Defined

Ecologic Furniture Manufacturer's Warranty Commitment to Excellence

Ecologic's commitment to excellence is to manufacture the highest quality products for our customers. Our furniture is engineered and manufactured to the highest standards and will give years of maintenance-free service. **Ecologic** stands behind its products and warrants them to be free from manufacturer defects in materials and craftsmanship. We guarantee the replacement or repair of any defective product subject to warranty.

Ecologic offers a *Limited Lifetime Warranty* on its case goods and beds it manufactures. This warranty does not include abuse or neglect. Ecologic offers a 25 year warranty on all lounge frames. It is Ecologic's policy to stand behind its foam for 10 years and Grade 2 fabrics for 10 years from the date of sale to the consumer and customer abuse or neglect is not present.

This warranty is valid only when used in accordance with the product's intended use, and excludes damage caused by circumstances that do not constitute normal wear, e.g., cuts, tears, pulls, burns or damage resulting from unreasonable use or abnormal conditions. This warranty does not apply to damage caused by any of the following: mistreatment, misuse, use of improper cleaning methods or agents, improper installation, improper maintenance, fire, chemicals, products not normally found in the home or in general commercial use, or damage caused by excessive, direct or indirect sun exposure and ultraviolet light. This warranty applies only to the original purchaser.

All warranty claims must be submitted in writing to **Ecologic Furniture**. We reserve the right to repair/replace items at our sole discretion. **Ecologic** will have sole discretion in determining if the item or items were abused or neglected.

Thank you for your continued support of **Ecologic Furniture**.

7.6 C Sample Projects Pricing

D. Detail any additional pricing incentives or rebates that may be available based on volume discounts, dollar amounts or other criteria.

Ecologic is willing to entertain any and all options for volume discounts, dollar amounts, and other criteria to participating agencies and can review on a case-by-case bases.

E. Detail any additional pricing incentives or rebates that may be available based on volume discounts, dollar amounts or other criteria.

Ecologic is willing to evaluate and consider pricing incentives or rebates based on volume discounts, dollar amount or other criteria to participating agents on a case-by-case bases.

F. Discounts for large orders may be proposed. Please provide your definition of a large order to qualify for any additional discounts. Please indicate the large order additional discount percentage or percentages.

Ecologic defines a large order as a total value of \$250,000 and higher. Discounts can be discussed on a case-by-case basis with participating agents.

G. If a manufacturer(s) has restocking fee requirements, the manufacturer(s) must list any fees associated with returning products.

Depending on the order, if it is custom or not, Ecologic will charge a restocking fee. For custom, unique product that is built on the customers own unique specifications, Ecologic will work with the customer to determine the nature of the return. For standard product there is a 20% restocking fee.

H. Provide proposed method for which price list increases shall be limited, documented, and managed throughout the Contract.

Ecologic has limited price increases to 3% over the length of contract unless special or global events are cause for a higher price increase request. We do not automatically increase prices. Any increases would be presented to the bid purchasing manager for approval.

*F*isk University's satisfaction not only with the **Ecologic Furniture** provided to date, but also with the professional, ethical customer service that **Ecologic** has also provided. It is so good to find and deal with a vendor that really does first represent the best interests of the customer. And you and your team have become personally involved to insure our selections meet our needs. In so doing, **Ecologic** has become an excellent Fisk University Partner.

David G. Cobb

*T*hank you for handling our business over the past two years. It has been my joy to work with a company whose staff has the character, ability, willingness to pull all the stops out to insure their customers are happy. It was my pleasure...to see the care and concern you all put into the ordering, delivery, and installation of each piece. I look forward to our next remodel... and hopefully working with this fine team again.

*A*t the University of Wisconsin-Whitewater we have used **Ecologic** for years and are very happy with their products, service and price. While not the only furniture we purchase from them, our primary product is their beds that have lofting and bunking options.

Terry Tumbarello

*G*iven our ever-changing furniture needs, **Ecologic** continually responds with enthusiastic support by providing outstanding service and superior quality products to our campus. Regardless of the circumstance, it seems the capable staff at **Ecologic** produce miracle after miracle for us. We thoroughly enjoy partnering with **Ecologic** to provide an exceptional residential experience for our students.

Kristiaan A. Rawlings

I have had the pleasure of working with **Ecologic Furniture** for several years now. In 2011 we collaborated on a 507-bed apartment project in which **Ecologic** provided all apartment furnishings selected for the complex including bedroom, kitchen and living area. In 2015 they provided furniture for a 211-bed suite-style residence hall including bedroom and suite furniture.

For each of these projects **Ecologic** was the successful vendor selected through a competitive procurement process. We have had minimal concerns with the products provided; and they have been responsive and timely when needed. I have had direct communication with them throughout our working relationship. I would highly recommend **Ecologic**.

*I*llinois State University is proud to offer a variety of community housing options for our students. We believe in offering high levels of service to our students and we expect the same from our vendor-partners. **Ecologic Furniture** has been one of those partners for more than five years. Their focus on outstanding customer service coupled with a product line that meets our students' needs are the perfect complements to our goals of building a student centered housing program for Illinois State. We have been so pleased with the entire team at **Ecologic** and appreciate their hard work and dedication to our staff and students."

*We bought **Ecologic** furniture for our new residence hall lobby. It still looks the same after four years of constant use. The wooden study chairs were branded with our university logo on the back and they have held up remarkably to different body sizes and through different high-use lobby areas in first-year halls. We are extremely happy and will use them again. We love them.*

*As Senior Project Manager for Orb Management I used **Ecologic Furniture** on our 144 bed student housing for the Thief River Falls, Mn Tech College project last summer. I found them to be responsive, competitively priced and willing to work with me on any issues that came up. **Ecologic Furniture** representative[s] and I will be inspecting the furniture just before the projects one year anniversary later this summer at which time we will be able to ascertain if there are any durability issues. As for now we have experienced very little issues and I would definitely use them on our next project.*

*It has been the greatest pleasure working with the entire **Ecologic Furniture** team. **Ecologic** went above and beyond to help with everything from the initial presentation and marketing materials to flawless execution with a very tight delivery time-frame with unique logistical challenges. Every team member of **Ecologic** that was involved including their product development, logistics, and installation team, exceeded our expectations and the result was a flawless delivery, very high-quality furniture, and a new student housing development exceeding 1,400 beds that will be a university highlight for years. Thank you **Ecologic!***

*I wanted to pass along my experience with **Ecologic** on a recent project. **Ecologic** helped me pull together some furniture selections and pricing for a fraternity renovation. At the same time I solicited pricing from 4 of their competitors. Of the 5 companies, **Ecologic** was the quickest to respond to my questions, and to develop a price quote. They also were quick and accurate in helping me make some last-minute changes. **Ecologic** presented to me an upbeat, can-do approach and kept me on schedule with my presentation. Between **Ecologic's** help and their competitive pricing, I highly recommended them for the project.*

***E**collogic is the sole reason we were able to find and ship last-minute furniture this year.*

***Ecologic** submitted an RFP against 5 other market leaders and won based on their product warranty, design options availability, and communication. The following turn is where **Ecologic** showed actual logistical skill in helping us coordinate and perform a furniture swap at all of our 15+ furnished properties. Together we swapped old furniture for new and even relocated usable old furniture to our other properties as needed, and coordinated with nonprofits and local fire departments to accept donations [to help keep our dumpsters empty].*

***Ecologic** was so instrumental in helping us during our 2021 TURN, they were owed a "thank you."*

***W**hat a wonderful experience dealing with EVERY member of the **Ecologic** team has been in obtaining furniture for our Valley Falls Apartments.*

***Ecologic** strongly pursues potential business, but always in a very helpful and friendly way. Never overbearing, always responsive to calls, [even on evenings and weekends]. They were so helpful in opening my eyes to different and better choices for the property. **Ecologic** is so organized and a great resource to us in making all the design decisions. They were a tremendous support all along the way, including helping with all the logistics lead to a smooth installation.*

*We have been contracting with **Ecologic** since 2011. With respect to size or volume of our projects, the furniture packages usually range near \$1M per individual project and we have had them performing work on multiple projects simultaneously. With respect to **Ecologic's** performance, they have done an excellent job at meeting our schedules [which are typically fairly demanding], provided a quality product and provided quality customer service. We have found them very helpful as we progress from project to project w.r.t. furniture types and styles. When asked, they provided samples and additional data to allow prompt evaluation and selections.*

*In student housing, installation is always a challenge as we are typically hustling to complete the last elements of the project just before the furniture hits the job. Their flexibility to adjust their installation timing to meet our needs is always key to our project's success as they have a very limited amount of time to do the installation and that install happens at the end of the project when the majority of the project float has been exhausted. **Ecologic** is always on our bid list and yes, we regularly use them both from a quality and cost standpoint.*

*The **Ecologic** experience overall was excellent! The communication, the patience and understanding was wonderful. They were able to work through all the hiccups thrown at us. I wanted to take a minute to say your installation team did great work. I have to say the team members were truly consummate professionals. I would work with them any day. It's refreshing to see people who can make it through a long day with many different strangers under their leadership and smile and laugh good-naturedly the entire time. It was a really welcome interaction after dealing with a furniture mover on another project that was nothing but problems. Just wanted to make sure you heard the most glowing feedback possible on a truly world-class customer service-oriented professional installation team...but I'm sure you're well aware.

*We have worked with the **Ecologic** team in the past and have had good experiences with them, specifically when we had a property deliver late. They worked around the delivery and made sure that they had folks there every time another set of buildings was delivered. The community was 192 units and 590 beds. The quality of the structural pieces and facades of the furniture were to our expectation. We did not have any issues with early wear or malfunction while we managed the asset for the owner.*

***O**ur experience working with **Ecologic** has been terrific. The **Ecologic** team is unique. I am happy with the furniture. The couches and chairs are really well made and very comfortable. The dressers and nightstands are very serviceable. The beds are even comfortable and we like that they are made of metal. We had tried another company that made "bed bug-resistant" furniture for our homeless units and it was not satisfactory. I know you all do not advertise as a bed bug-resistant product but I wouldn't hesitate to recommend the metal pieces as an appropriate product for that.

***T**his year I had a small budget for our furniture order, but **Ecologic** was so helpful in guiding me to a smart decision on different items! They are great at collaborating and remained professional with a great hint of humor! It was literally a joy to discuss the furniture packages. I feel like furniture orders are never truly fun for student housing. Especially now - all the what-ifs and discontinued packages. They made the process so much easier. After I talked to **Ecologic**, a huge weight was lifted for me as a property manager. We will likely be using this company moving forward!*

Illinois State University

Ecologic's custom design and manufacturing capabilities help ISU create an enriching—and sustainable—residence life atmosphere to attract discriminating students.

Illinois State University houses over 6,000 students in eleven on-campus residence halls, plus two University-owned apartment developments. Illinois State's goal is to provide a diversity of residence life options that can help enrich students' learning experiences—both academically, and in terms of life skills.

One of those life skills is sustainable living. Illinois State University has demonstrated its commitment to reducing its environmental impact by choosing full room set-ups from Ecologic Furniture's Collegiate line, which features recycled and reclaimed steel and environmentally-friendly laminates. ISU's "green" goal is to enhance life and meet current needs, while maintaining resources for future generations. Purchasing earth-friendly residence life furniture from Ecologic Furniture helps ISU further its mission of "adopting a more sustainable lifestyle both in the workplace and at home."

Ecologic customized our Collegiate line of residence life furniture to Illinois State's exacting standards, in addition to creating new furniture and hundreds of customized room designs from scratch. We even fabricated samples of new designs to help Residence Life managers make informed furniture selections.

Ecologic's team of designers and customer service representatives worked closely with all of the constituencies involved in ISU's furniture purchase process—from interior designers to facilities managers—to ensure that our products met everyone's needs, whether that be affordability, or durability, or ease of assembly or attractive design.

Our finely-tuned supply chain—managed on-site by Ecologic Furniture's own employees—often allows us to deliver our residence life furniture products even faster than local suppliers. This on-site management also makes us far more responsive than most campus furniture vendors.

Illinois State University is proud to offer a variety of community housing options for our students. We believe in offering high levels of service to our students and we expect the same from our vendor-partners. Ecologic Furniture has been one of those partners for more than five years. Their focus on outstanding customer service coupled with a product line that meets our students' needs are the perfect complements to our goals of building a student centered housing program for Illinois State. We have been so pleased with the entire team at Ecologic and appreciate their hard work and dedication to our staff and students.

Maureen Blair, Illinois State University

South Dakota State University

A partnership with Ecologic Furniture helps South Dakota State standardize furniture maintenance and reduce the cost of upkeep.

South Dakota State University offers on-campus housing for students in nine residence halls, two apartment buildings, and two family apartment developments. Located in a relatively small, rural community, South Dakota State University's goal is to provide students with a "home away from home" with furnished rooms, lounge areas, kitchens and laundry facilities to appeal to a diverse range of student lifestyles.

SDSU's Residential Life staff had a small part that was causing big problems. The drawer glides in another vendor's case goods had a tendency to fail, and the other vendor wasn't cooperative when it came to repairs or replacement. In fact, SDSU's facility maintenance staff were forced to pay retail prices for replacement drawer glides, buying them from a local home improvement store on an ad-hoc basis, while students had to wait for repairs.

SDSU was already an Ecologic Furniture customer, having purchased dozens of beds from our Academy line. So, although South Dakota State was eager to work with Ecologic Furniture, the residence life staff wanted to ensure that our furnishings would match existing residence hall furniture, provided by the other vendor. Not only did Ecologic customize our own sustainably manufactured furnishings, but we also solved SDSU's drawer glide problem by making a readily available drawer glide the universal solution in all of SDSU's case goods. One easy-to-obtain part can now be used to fix any issue with any drawer glide in SDSU's inventory of case goods.

What's more, Ecologic Furniture's residence life solutions are more durable than the furnishings offered by SDSU's previous vendor—and our commitment to sustainable manufacturing processes and recycled materials help SDSU reduce its environmental impact. The Academy line, currently in use in SDSU's student housing facilities, features environmentally-friendly materials.

It has been a pleasure working with Ecologic Furniture on several of our projects. They have been with us on each project from start to finish and their furniture has exceeded our expectations.

Colorado State University

A commitment to extreme customer service helps CSU successfully open its newest residence hall on a tight turn schedule.

Colorado State University houses over 5,000 students in 13 on-campus residence halls. The University's Housing and Dining Services department is committed to providing students with attractive, safe and eco-friendly furniture options as part of a University-wide commitment to sustainability.

So when Colorado State was building a new residence hall, they turned to Ecologic Furniture to provide desks and chairs from our Classic Oak line. The Oak desks and chairs are manufactured with water-based stains and glues with North American hardwoods to minimize carbon footprints, helping CSU meet their goals for "actively involving our students, guests and staff in resource conservation, waste reduction, and sustainable practices and programs."

Sustainability wasn't CSU's only concern. A previous vendor's residence life furniture line hadn't proven to be durable enough to meet CSU's needs, and had to be replaced every two to three years—raising CSU's total cost of ownership. So Ecologic Furniture's track record of durability also made our products attractive.

But what really sold Colorado State was Ecologic's company-wide commitment to extreme customer service.

When CSU was building its new residence hall, construction delays wreaked havoc on the University's furniture delivery schedule. Other vendors—such as the Ecologic competitor who was supplying lounge furniture—simply dropped off the new furniture in the middle of a construction zone, forcing work to continue around the new furniture (and exposing the brand-new furnishings to construction debris and potential damage).

Only Ecologic Furniture worked with Colorado State to safely store CSU's new furniture on our site, at our expense, until construction was completed and the furniture could be delivered to and loaded into a finished facility instead of a hard-hat area. Ecologic Furniture also worked with Colorado State to remain competitive on price, guaranteeing no price increases for two years.

Viewing Colorado State's success as our success helped to inspire this testimonial:

Thank you for handling our business over the past two years. It has been my joy to work with a company whose staff has the character, ability, willingness to pull all the stops out to ensure their customers are happy. It was my pleasure... to see the care and concern you all put into the ordering, delivery, and installation of each piece. I look forward to our next remodel...and hopefully working with this fine team again.

Fayetteville State University

Ecologic's stylish, contemporary student furniture designs help FSU market its brand new, high-end Renaissance Hall – and its commitment to sustainability.

Fayetteville State University (FSU) houses over 1,700 students in nine on-campus residence halls and a University-owned apartment complex. Like many colleges, FSU was facing a problem of recruitment and retention. Their solution to attract discriminating students? A brand-new, high-end residence hall, built to exacting LEED Silver specifications for sustainability and energy efficiency.

Installing new student furniture that was as high-end and stylish as the new Renaissance Hall itself was a big part of FSU's plan to attract new students. FSU promotes and advertises its green programs to prospective students, so the furniture also had to exemplify the school's commitment to sustainability as a "core value of institutional operations, planning, capital construction, and purchasing practices." The residence hall's furniture had to be durable and low-maintenance. And finally, the furniture had to be affordable.

After reviewing proposals from seven vendors, FSU chose Ecologic Furniture to furnish Renaissance Hall's 338 student rooms and twelve common spaces. In addition to offering the most attractive and stylish designs, Ecologic Furniture's bid was significantly lower than the competition. Ecologic's green certifications were icing on the cake.

Because it was a new hall, and unlike anything else on campus, prospective students didn't know what to expect from Renaissance Hall. FSU's student housing staff was having a little trouble filling the facility. So Ecologic Furniture created a high-resolution 3-D rendering of the proposed student rooms, helping prospective students visualize themselves in the high-end new residence.

One of the big factors that helped us fill up this hall were the high-quality renderings of the rooms that Ecologic Furniture created for us. We got several students from that...I'm sure we'll use that rendering for years and years.

Ecologic was responsive without being overbearing. Once we started the process, through the delivery and the install, we worked together really well. Our Ecologic representative was with us every step of the way – even on factors that weren't their responsibility. The install was a headache because it was a very busy building at the end of the construction phase, but Ecologic did a great job managing those situations. I'm very, very happy with the process.

Ecologic Furniture Continues to lead the industry with Environmentally Friendly Student Dorm Furniture

Chicago, IL: Ecologic Furniture, the nation's leading manufacturer of student dormitory furniture is proud to announce the continued implementation of its commitment to sustainability and the environment. For almost 30 years, Ecologic Furniture has manufactured sustainable furniture for colleges and universities across the country. Their proprietary Pacifica and Collegiate line of sustainable dorm furniture continues to set the standard for durability and design. In 2018 the company is excited to offer new color combinations with their industry leading recycled steel frame.

Ecologic Furniture's student furniture series; Collegiate and Pacifica have standardized on CARB Phase 2 and E0 rated engineered wood. These specifications ensure the formaldehyde emissions released are independently tested and of the lowest available ratings for VOCs with a Max emission of .09 ppm. This requirement is not required by most institutions and generally exceeds even the strictest regulations, but as a leader in sustainable student furniture Ecologic is committed to establishing the best standards for the industry. Furthermore, as part of Ecologic's advancement of sustainability in student furniture as more materials get certified for "Super E0" the company will be adopting that as its new standard. Additionally, Ecologic Furniture's student dormitory furniture uses Green Guard Certified laminates to ensure the highest indoor air quality control. As Ken Klein, President of residence life student furniture manufacturer, Ecologic Furniture, comments, "We are proud to continue to establish the standards for the industry to ensure our schools and their students have the safest and most environmentally friendly products available in the world."

Ecologic Furniture: For almost 30 years, Ecologic Furniture has been the leader in designing and installing dorm furniture for Colleges and Universities, as well as off-campus student housing developments. The company is proud to count over 25% of the Colleges and Universities across the country as customers, as well as the nation's leading developers and managers of off-campus student housing. Ecologic Furniture

Corporate Commitment to a Sustainable Environment

Ecologic has been committed to environmental sustainability since our founding over 25 years ago. In fact, our first furniture product line was designed using recycled milk cartons. This hard plastic composite, known in the industry today as EcoLumber™, is still a leading furniture solution for universities highly committed to sustainability and the environment.

Over the years, **Ecologic's** commitment to environmental sustainability has only increased. We are constantly enhancing our environmental sustainable business through adaptation of renewable resources and using post consumer recycled content.

In the student housing furniture industry **Ecologic** has augmented its leadership in its commitment to the environment throughout all its products and business endeavors. Our products range from:

- Recycled leather in our lounge series.
- Utilization of environmentally-farmed timbers to prevent de-forestation.
- Recycled and reclaimed steel.
- Green label-certified laminates and low-voc gases.

Ecologic is, by far, the leader in sustainable furniture for the student housing industry.

CORPORATE RESPONSIBILITY

Ecologic is a proud supporter of global re-forestation projects and a leader in our industry in donating trees. As part of our global re-forestation initiative, **Ecologic** has proudly partnered with American Forests®. American Forests is a world leader in planting trees for environmental restoration; a pioneer in the science and practice of urban forestry; and a primary communicator of the benefits of trees and forests.

ISO 14001

As a leader of sustainability in the student housing furniture industry, **Ecologic** is continuing its commitment to setting the standard for excellence. We are currently in process of obtaining our ISO 14001 certification. The ISO 14001 standard represents the core set of standards used by organizations for designing and implementing an effective environmental management system. ISO 14001:2004¹ is a management tool enabling an organization to:

- Identify and control the environmental impact of its activities, products or services.
- Improve its environmental performance continually by implementing a systematic approach to setting environmental objectives and targets.
- Achieve these targets and demonstrate they have been achieved.

FSC CoC

As part of **Ecologic's** commitment to LEED, we are in the process of obtaining our FSC CoC certification. Currently, all of our core material suppliers are required by us to hold and display a current certificate. As such, **Ecologic** is excited to provide FSC-certified woods for our customer's LEED-certified projects. FSC chain of custody [CoC] allows credible tracking of FSC material from the forest, through all successive stages of the production process, and to committed retailers and consumers. CoC certification is for operations that manufacture, process or trade in timber or non-timber forest products.²

CoC certification requires operations to identify the origin of raw materials used in FSC-certified products and to keep FSC-certified products separate from other products throughout the production process.

Conservation Measures

Ecologic has implemented energy conservation measures at our headquarters and factories. We regulate light usage and thermostats on a daily and seasonal basis. In addition, we have implemented a rainwater recovery system in the factories to reduce water consumption. Much of the rainwater recovery can be used in our finishing line's spray booth.

LEED RATING SYSTEM

The most recent rating systems for LEED 2009 New Construction and Major Renovations awards 100 base points (with 6 possible innovation in design and 4 regional priority points).³ Most of the point accumulation to achieve certification (silver, gold, or platinum) comes from the actual building construction. In fact, between the sustainable site and energy and atmosphere section, a developer can account for a possible 61 points; enough for gold certification!

Despite this point weighting, **Ecologic's** commitment to sustainability is highlighted both within the LEED rating system and in many other tangible ways.

MR Credit 2: Construction Waste Management (1-2 Points)

During all **Ecologic** supervised installations we redirect all our recyclable recovered resources back to either the manufacturing process or to appropriate recycling centers. While this is only a part of a larger plan for building construction, we are dedicated to doing our part to recycle or salvage all waste, packaging, and debris from the installation.

MR Credit 3: Materials Reuse (1-2 Points)

In several of **Ecologic's** furniture solutions the use of salvaged, refurbished and reused materials is the prevalent core material. The sum of these materials often times easily exceeds 10% of the cost of the total materials on the project (this qualifies for 2 points).

- Specifically, **Ecologic's University Village Series** uses 80% recycled/reclaimed steel in the frames.
- **Ecologic's Lounge Series** is made by the only student housing furniture manufacturer to use reclaimed leather, EcoLeather™.
- **Ecologic's EcoPlus™ Series** uses recycled milk carton plastics as the core material in all the case goods.
- All of **Ecologic's** bed frames, ladders and safety rails use recycled/reclaimed steel.
- The plastic stacking pin is a recycled plastic used for bunk beds and loft kits.
- We have a firm commitment to recycling and reusing shipping material.
- We offers a "take back" policy of reuse/recycle of our shipping material.

³ LEED 2009 for New Construction and Major Renovations Rating System, U.S. Green Building Council, www.usgbc.org.
Note: Ecologic does not represent or warranty a guarantee of LEED points from its products. The accumulation of LEED points is based purely on the developer's own interaction with LEED certification and management of its project.

MR Credit 4: Recycled Content (1-2 Points)

Ecologic's commitment to using materials with recycled content has been a theme in our company since its inception. The recycled content in many of our products exceed 20% of the total value of the materials in the project. As described on the previous page, our Collegiate Series uses 80% recycled/reclaimed steel in the frames; our EcoPlus™ Series uses recycled milk carton plastics as the core material in all the case goods. All our bed frames, ladders and safety rails use recycled/reclaimed steel and even the plastic stacking pin is a recycled plastic used for bunk beds and loft kits. In addition, 100% of our bed platforms can be recycled.

MR Credit 5: Regional Materials (1 Point)

Ecologic's headquarters in Chicago, IL gives us the greatest opportunity for projects looking to source a regional credit. Also, our core manufacturing centers' FSC CoC designation provides the continuous link of traceability from source to end-user. For projects outside of our central 500-mile radius, we have established a network of storage and auxiliary assembly areas around the country that can be within 500 miles of an end-user site. We, currently, have a network of 24 warehouse locations throughout the United States to incorporate into a LEED plan to help achieve this credit.

MR Credit 6: Rapidly Renewable Materials (1 Point)

In connection with **Ecologic's** corporate sustainability programs for supporting global re-forestation projects, our reduction of use and depletion of finite raw materials is paramount to our sustainability vision. We can incorporate any material into our furniture, based on customer specification. Our hardwoods are certified by such various agencies as FSC, The Malaysian Timber Council, and SCS Forest Management Program. We use FSC-certified hardwoods ranging from northern red oak to bamboo to eucalyptus to acacia. These materials can all be harvested within a 10-year cycle that exceeds 2.5% of the furniture cost.

MR Credit 7: Certified Wood (1 Point)

Ecologic's encouragement to environmentally responsible forestry is unparalleled. With each project we urge our customers to use FSC-certified materials. All our core suppliers are required to have the FSC CoC certification. These certifications are available to our customers upon request. We are in process of becoming FSC CoC-certified as part of our continued commitment to LEED and the promotion of sustainable furniture.

For over 25 years, we have been a pioneer in sustainable business practices, recycling and green manufacturing. We are proud to be part of the responsible management of the world’s forests, so we can offer our products with FSC CoC certification. We can also work with you on your green initiative project.

- **EcoLeather™** reclaimed leathers and fabrics
- **EcoSteel™** 30% recycled/70% recyclable steel
- **EcoLumber™** recycled resin, low maintenance, moisture and fade resistant, 100% green alternative
- **EcoTimber™** fast-growing renewable hardwoods
- **EcoConstruction™** proprietary engineering techniques designed for student housing
- Green-guard certified laminate panels
- Ability to provide Forest Stewardship Council Chain of Custody certification [FSC CoC]
- Strive to reduce HAPs [Hazardous Airborne Pollutants] and VOC [Volatile Organic Compounds]
- PVC-free textile options
- Powder-coat metal finishes environmentally- friendly and extremely durable.

RUBBERWOOD

Ecologic has the ideal hardwood substitute for it’s furniture products. Rubberwood is the most ecologically-friendly lumber used in today’s furniture industry. After the economic life of the rubber tree, which is generally 26-30 years, the latex yields become extremely low and the planters then cut down the rubber trees and plant new ones. So, unlike other woods that are cut down for the sole purpose of producing furniture, rubberwood is used only after it completes its latex producing cycle and dies. Therefore, this wood is eco-friendly in the sense that we are now using what was going as waste.

Properties of Rubberwood

Density [kg/M3 at 16% MC]	560-640
Tangential Shrinkage Coefficient [%]	1.2
Radical Shrinkage Coefficient [%]	0.8
Hardness [N]	4,350
Static Bending [N/mm at 12% MC].....	66
Modulus of elasticity [N/mm at 12% MC]	9,700
